[November 2013]

Table of Contents

NOTE: This document is an excerpt from the full set of Rhode Island Community Profiles

PART I. Demographic and Substance Use Summary

NOTE: Demographic data are from Census 2010 and substance use data are from SurveyWorks! 2012-2013. All ranks in this document are out of a total of 39 communities, however, ties were allowed.

PART II. Community Comparisons

NOTE: Missing data are noted in each figure. All Data are from SurveyWorks! 2012-2013.

PART III. Alcohol Time Trends

NOTE: Data from 1999-2007 are from SALT Surveys and data from 2011-2012 are from SurveyWorks!.

SCITUATE

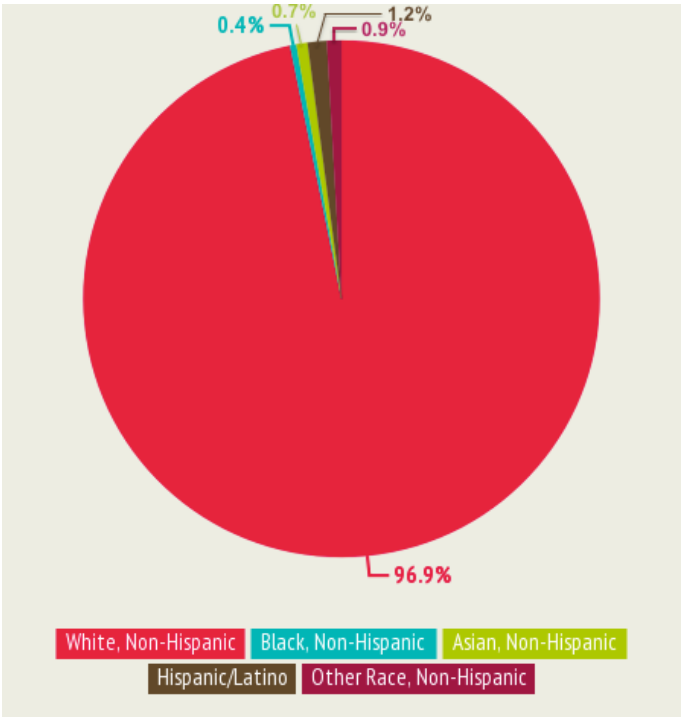
Rhode Island Community Profile 2013

Population (2010): 10,329

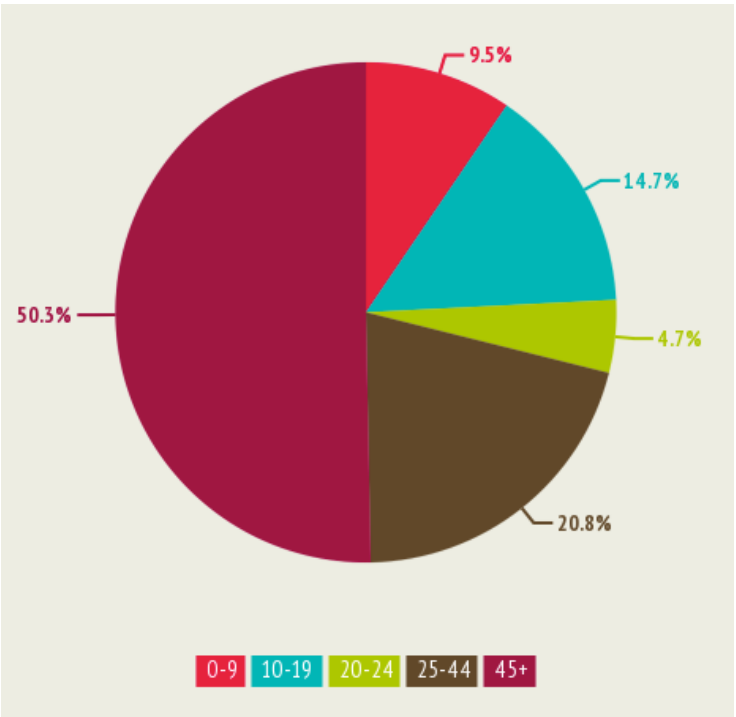
High Schools (1)	540 Students
Middle Schools (1)	369 Students

Below Poverty

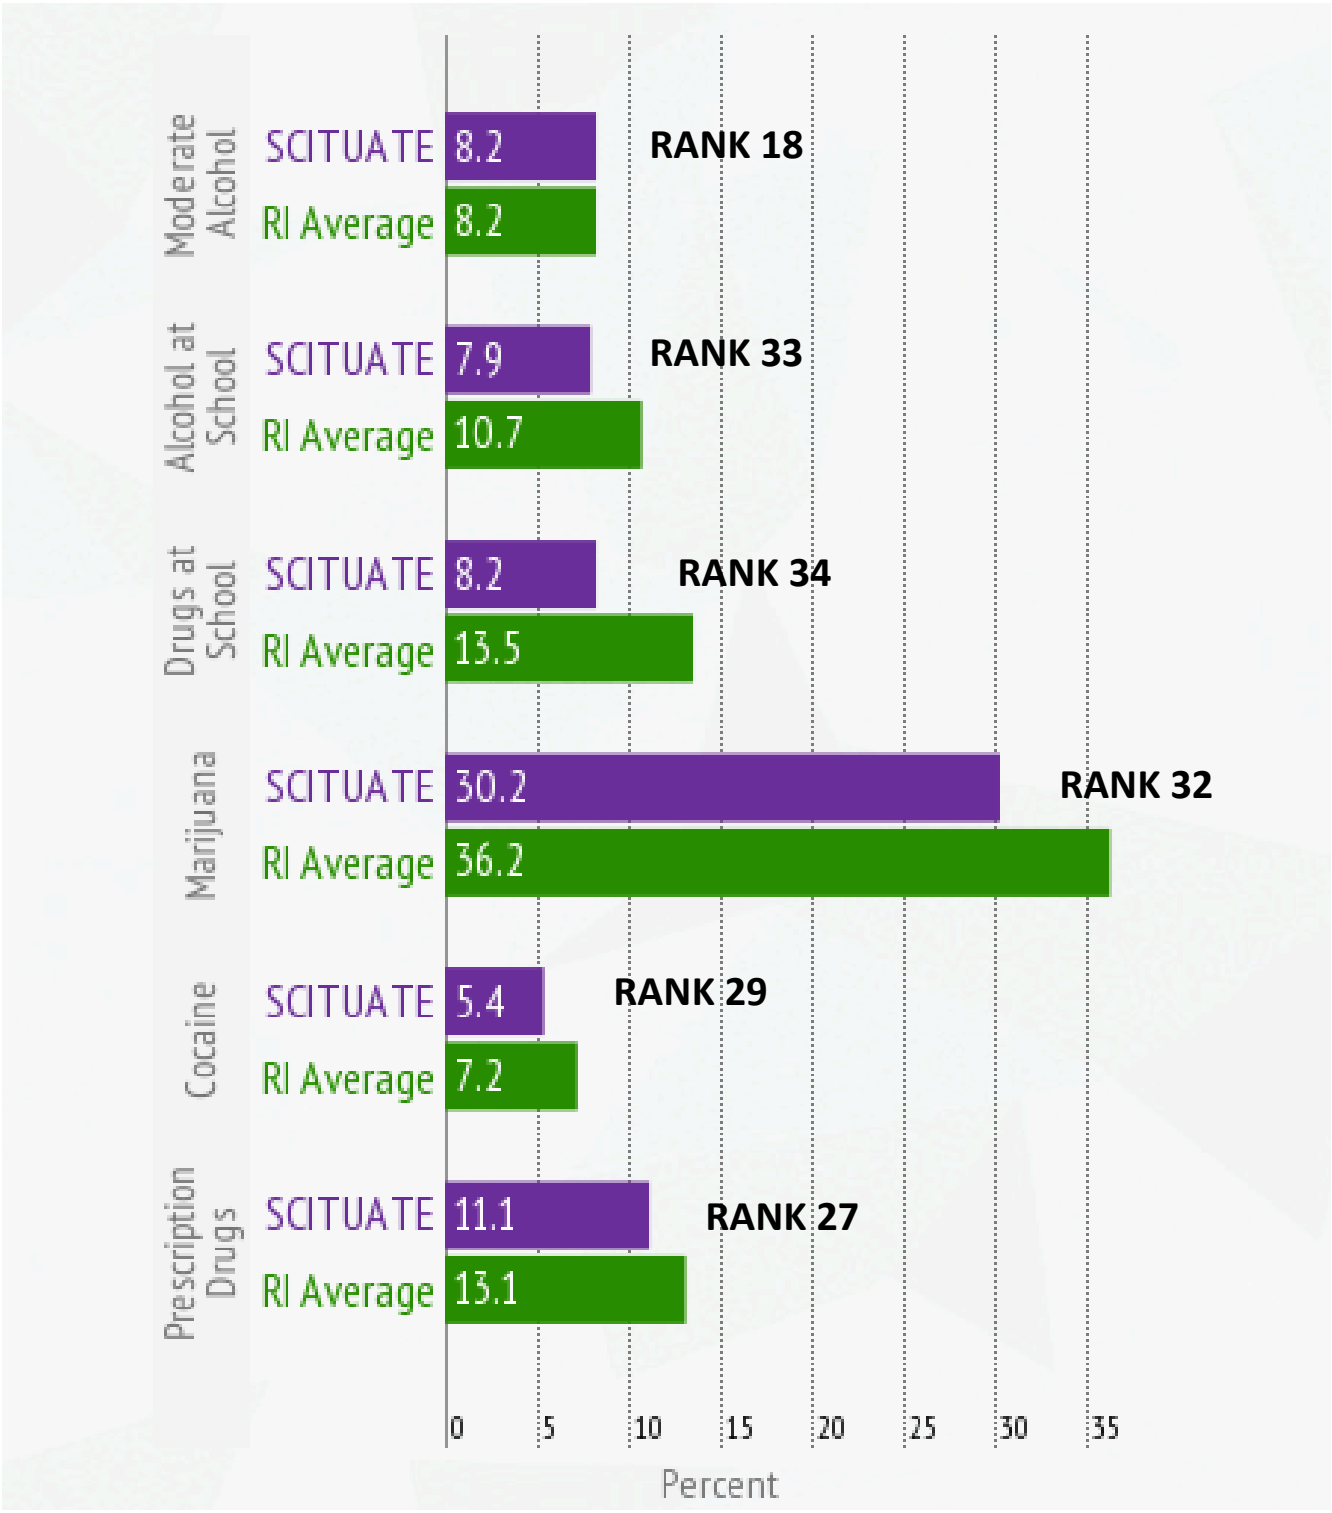
RACE/ETHNICITY (2010)



AGE DISTRIBUTION (2010)



HIGH SCHOOL SUBSTANCE USE 2012-2013



Moderate Alcohol – Percent of students that reported drinking alcohol 6 or more times in the past 30 days.
Alcohol at School – Percent of students that reported being under the influence of alcohol at school (past 12 months).
Drugs at school – Percent of students that reported being under the influence of drugs at school (past 12 months).
Marijuana – Percent of students that reported ever having tried marijuana.
Cocaine – Percent of students that reported ever having tried cocaine.

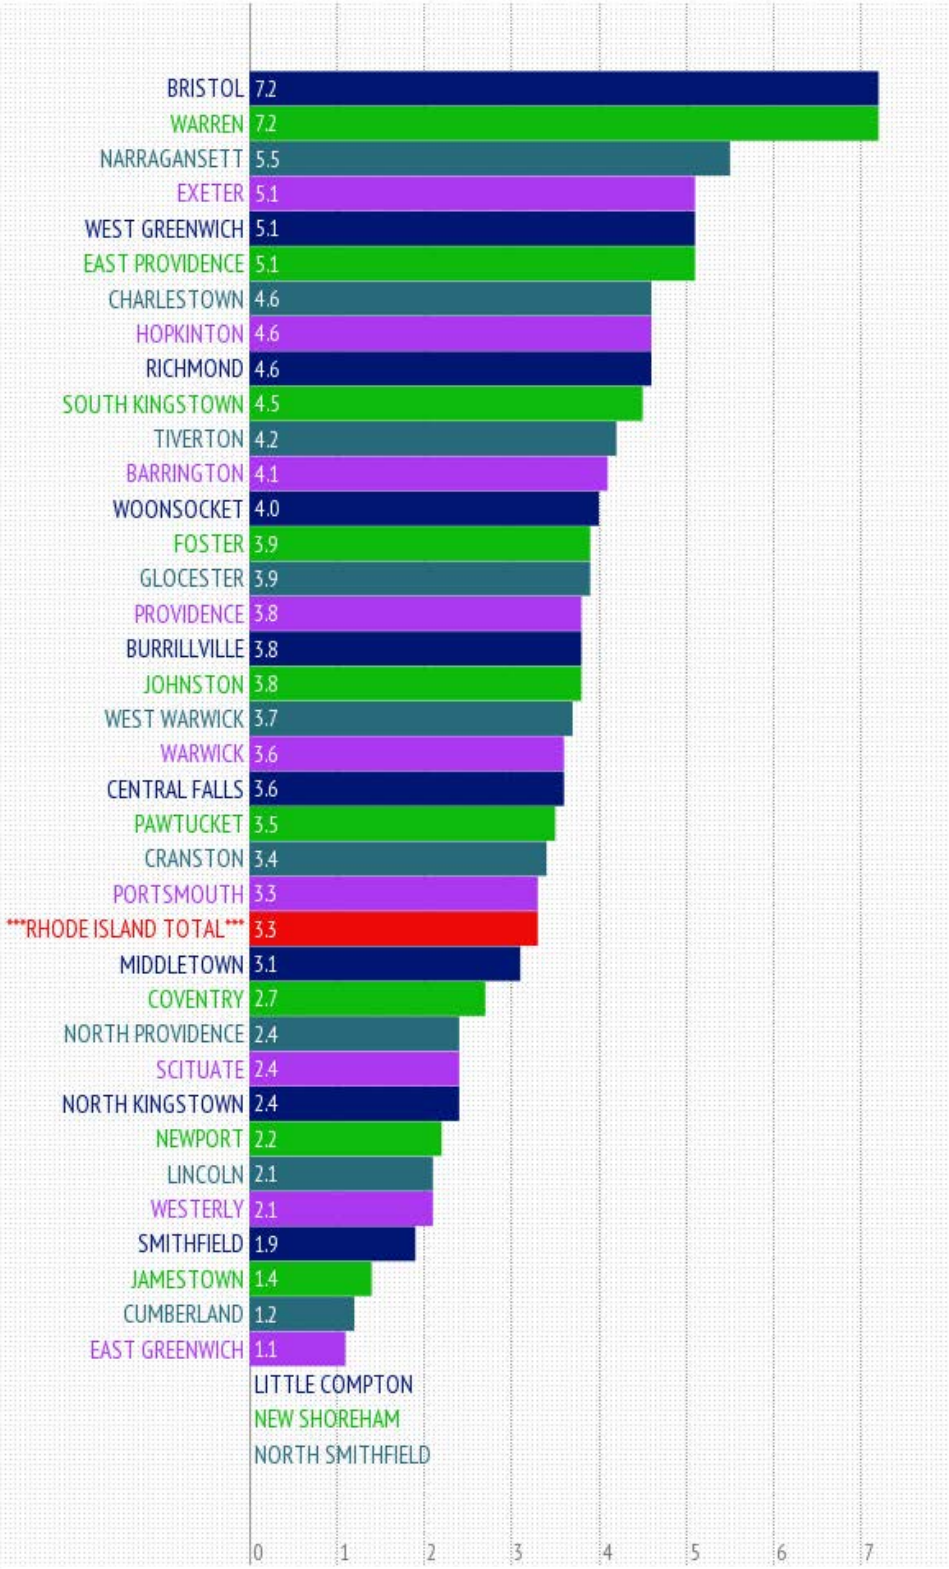
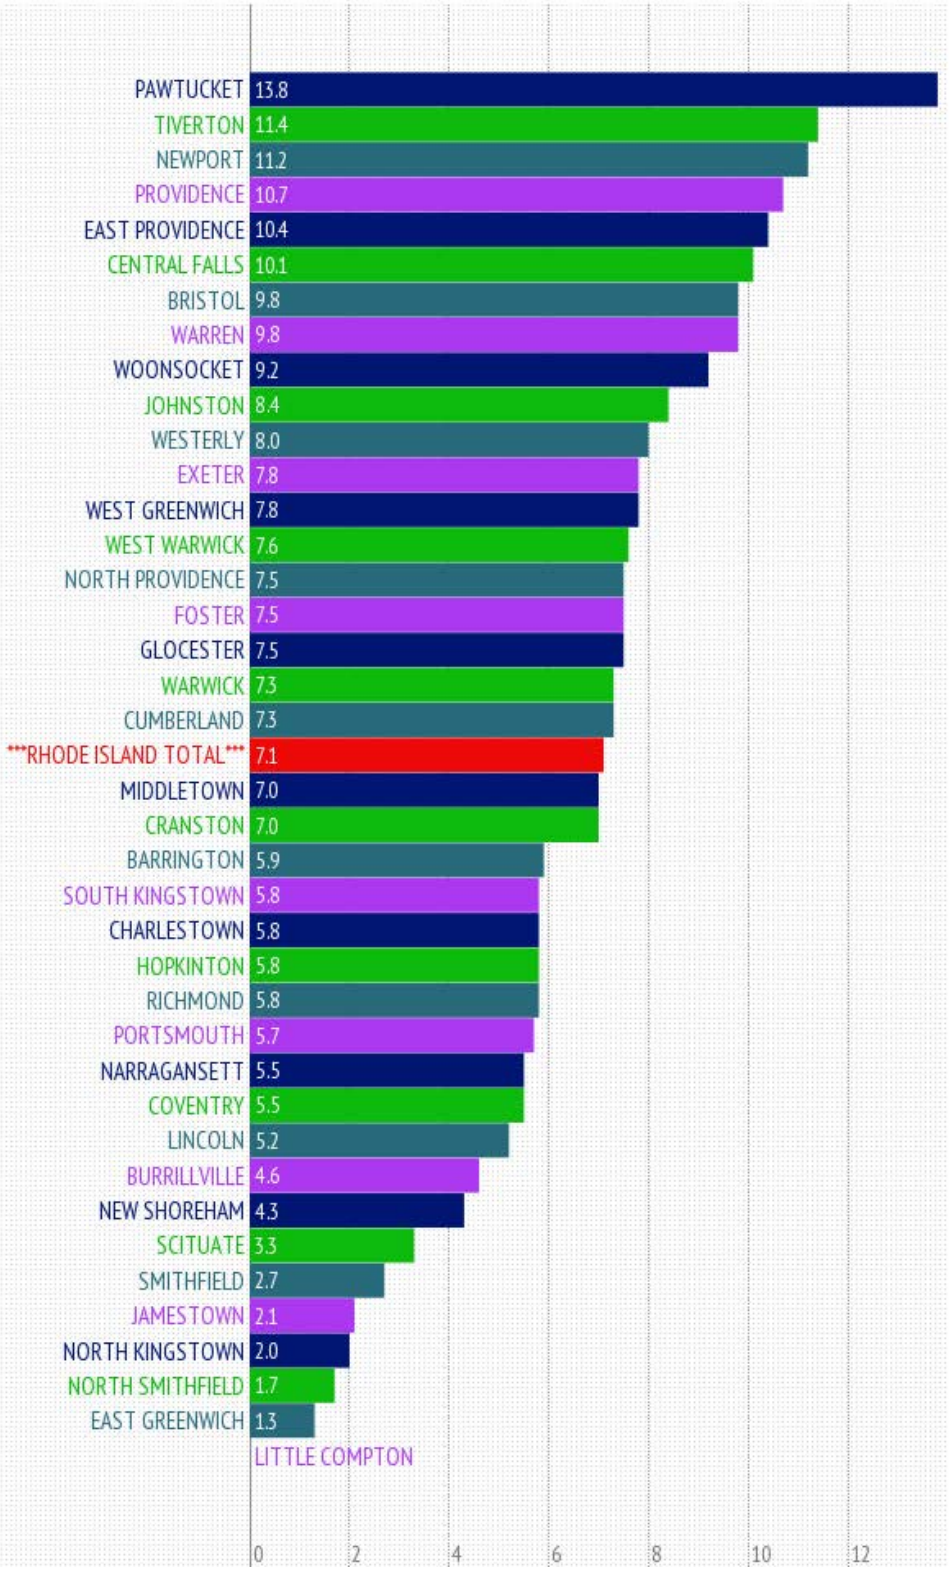
Inhalants – Percent of students that reported ever trying inhalants (huffing).
Prescription Drugs – Percent of students that reported ever trying prescription drugs not prescribed by a doctor.

Middle School Prescription Drug Use 2012-2013



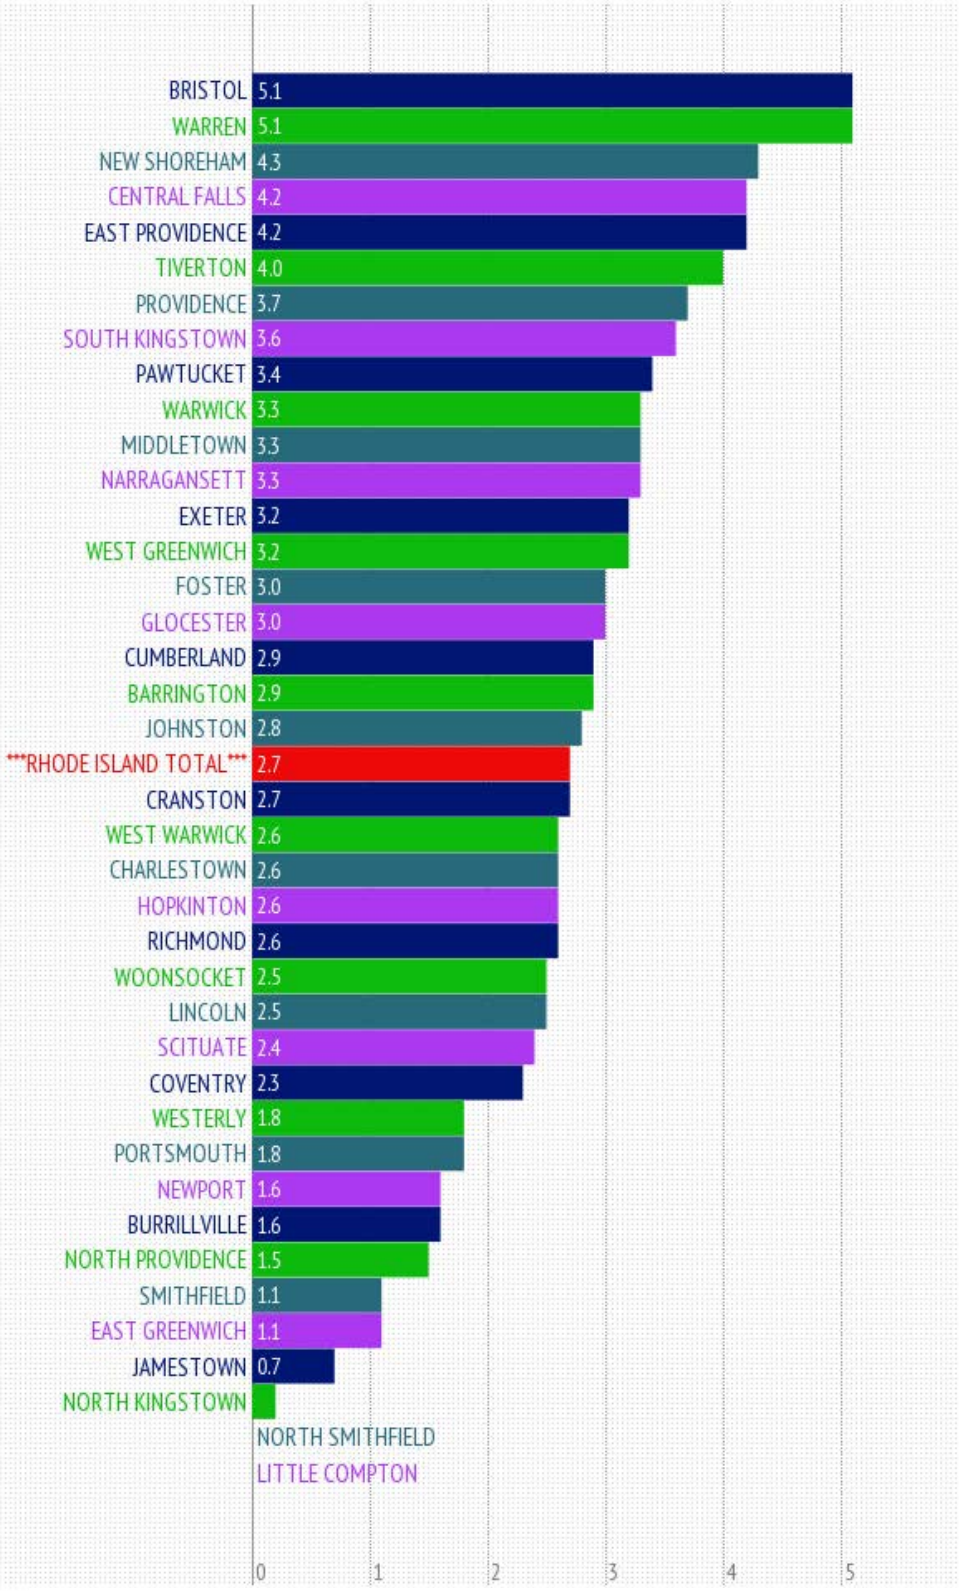
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you tried prescription drugs (such as OxyContin, Percocet, Vicodin, codeine, Adderall, Ritalin, or Xanax) without a doctor’s prescription?”

Middle School Marijuana Use 2012-2013



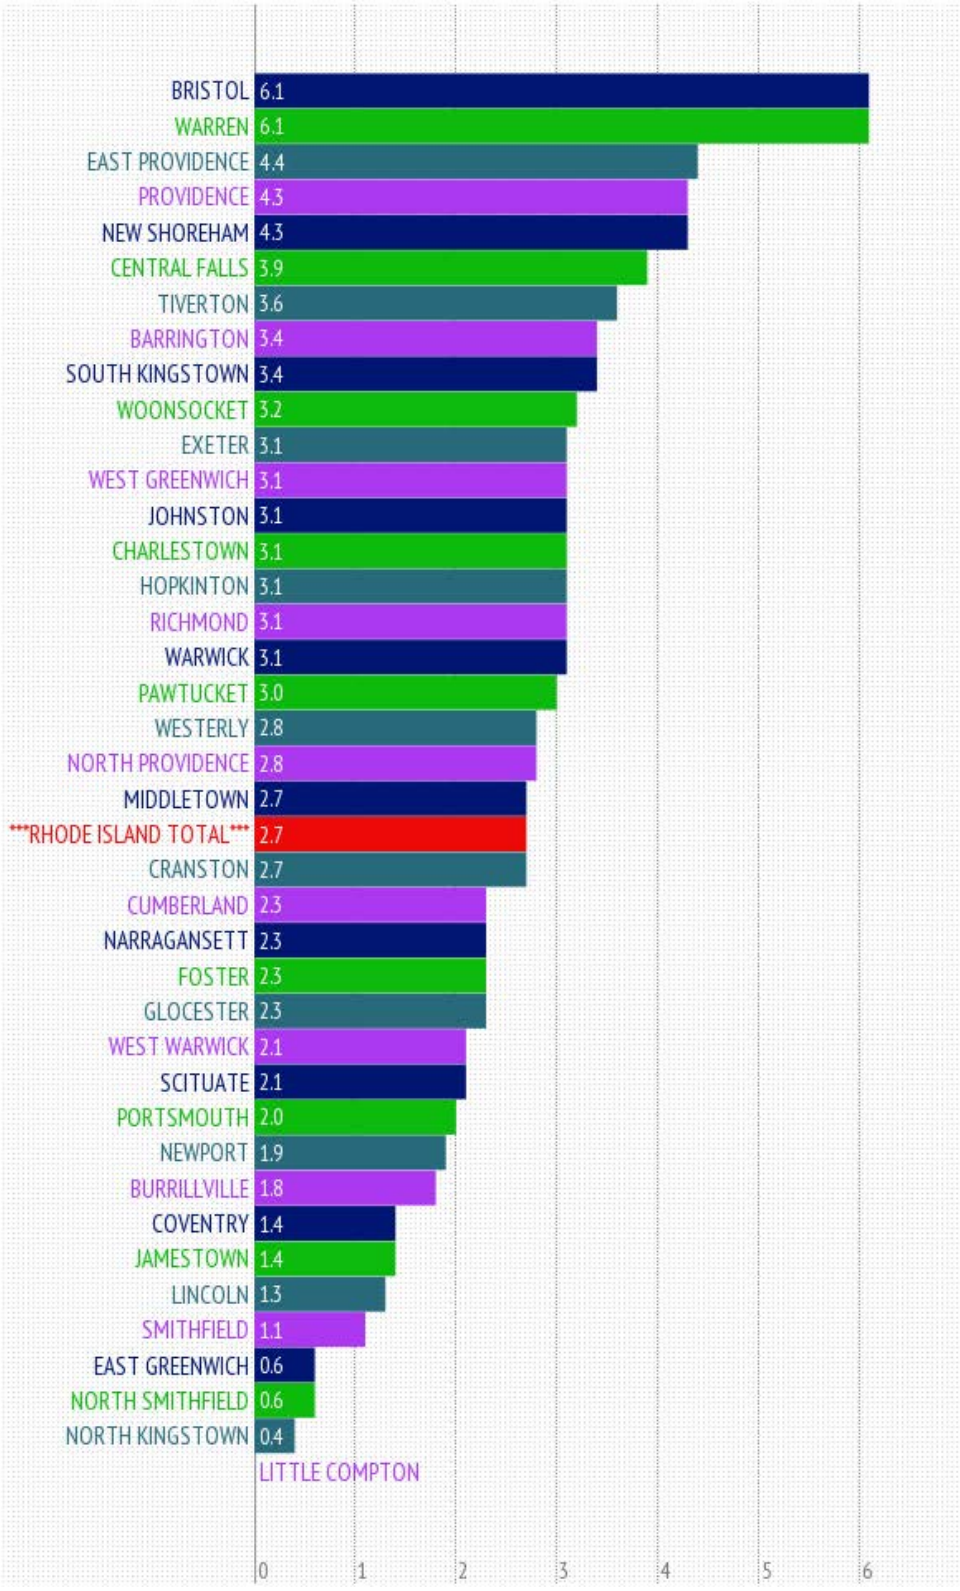
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you tried marijuana?”

Middle School Inhalant Use 2012-2013



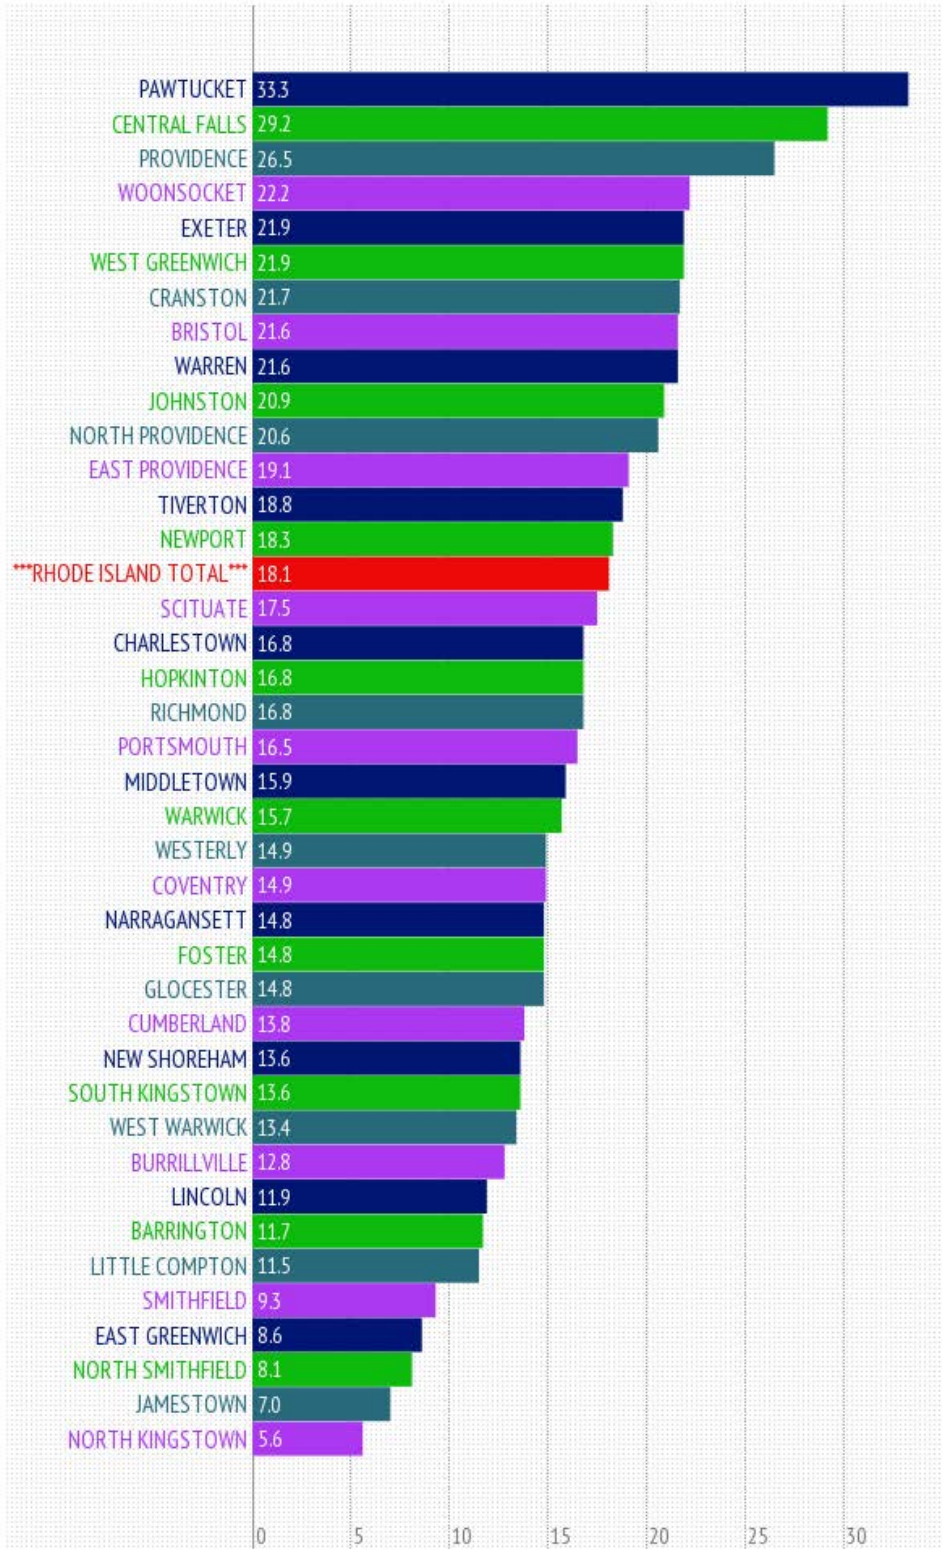
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you tried inhalants (huffing)?”

Middle School Other Illegal Drug Use 2012-2013



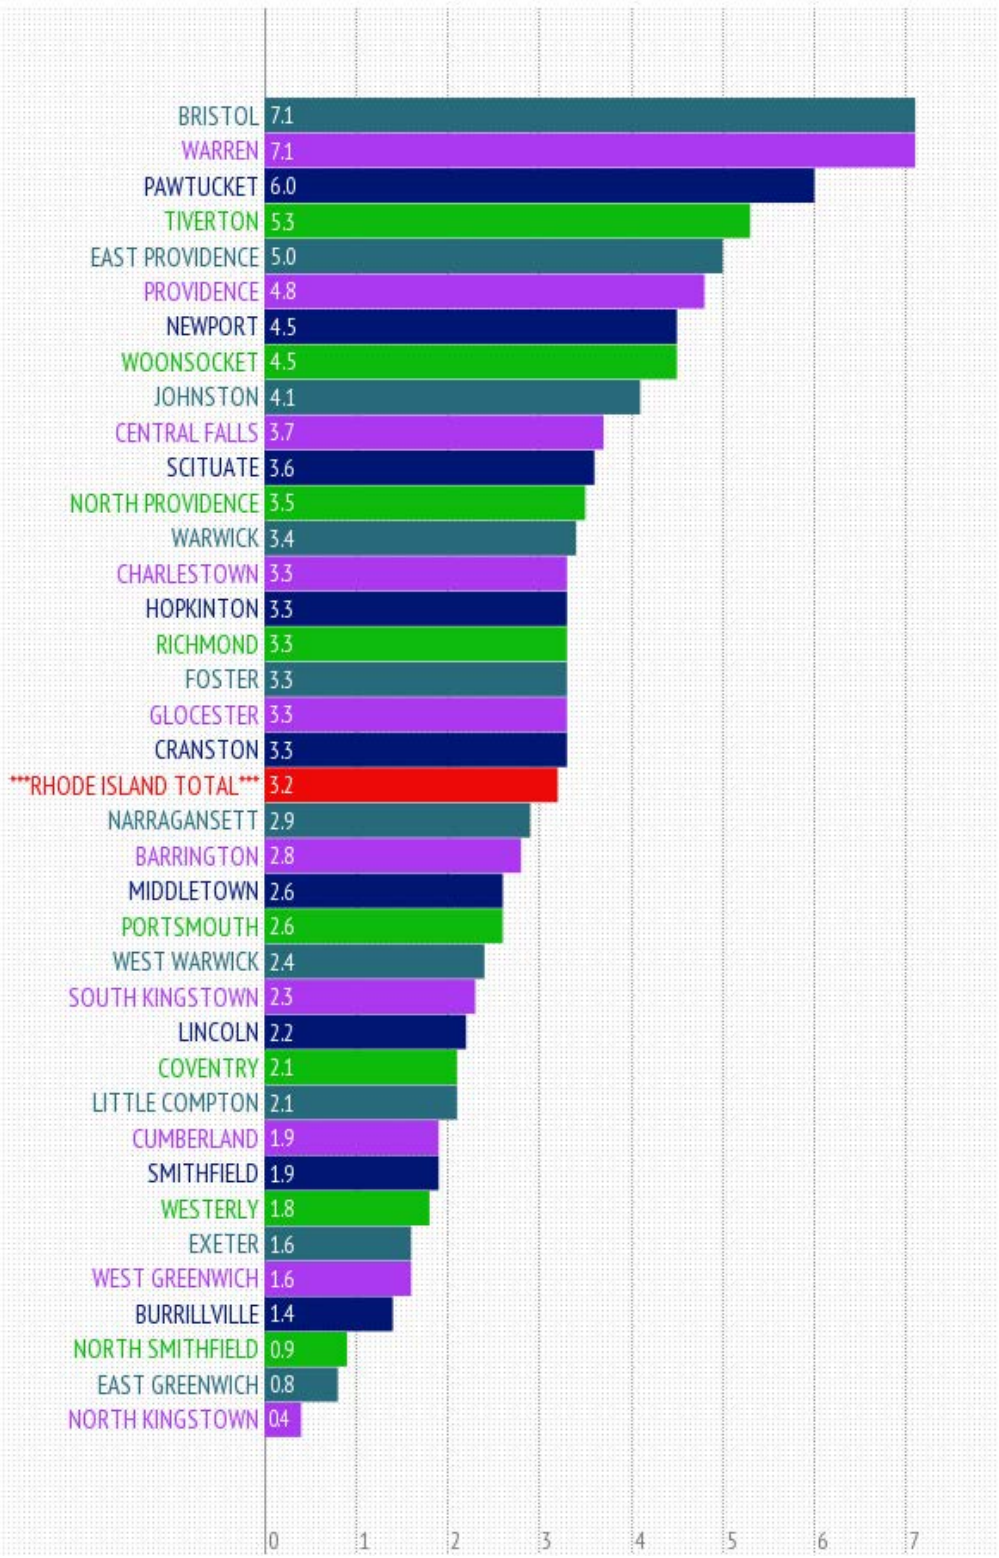
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you tried other illegal drugs?”

Middle School Ever Alcohol Use 2012-2013



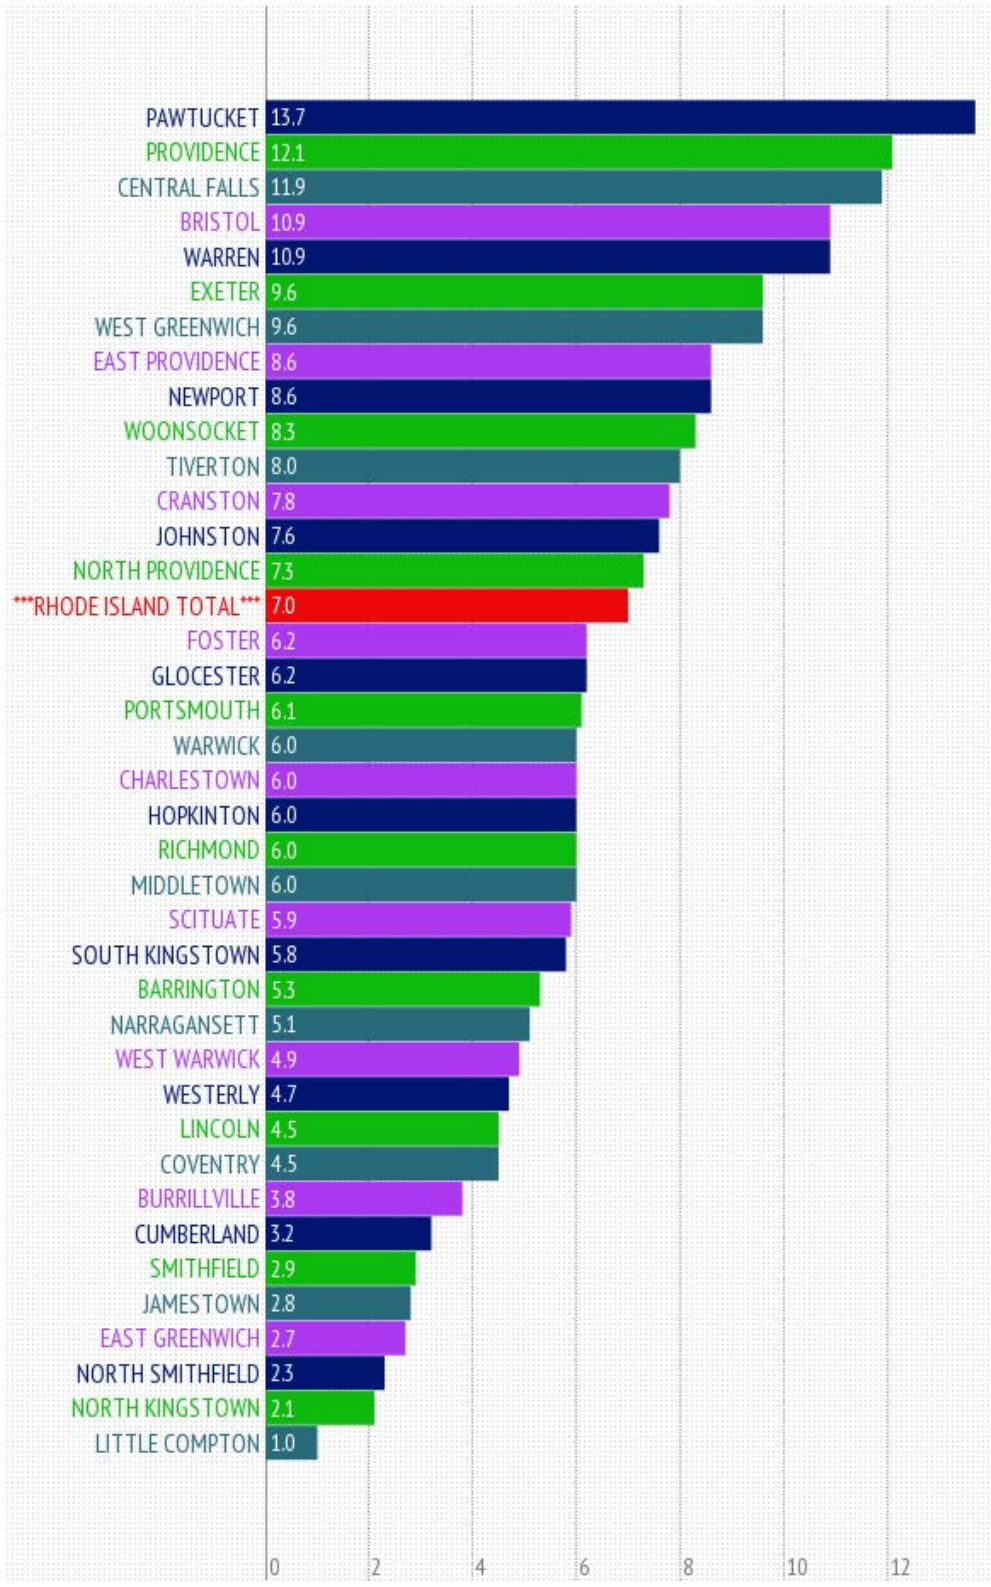
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you ever drunk beer, wine, or alcohol (other than a few sips or for religious ceremonies)?”

Middle School Alcohol at School 2012-2013



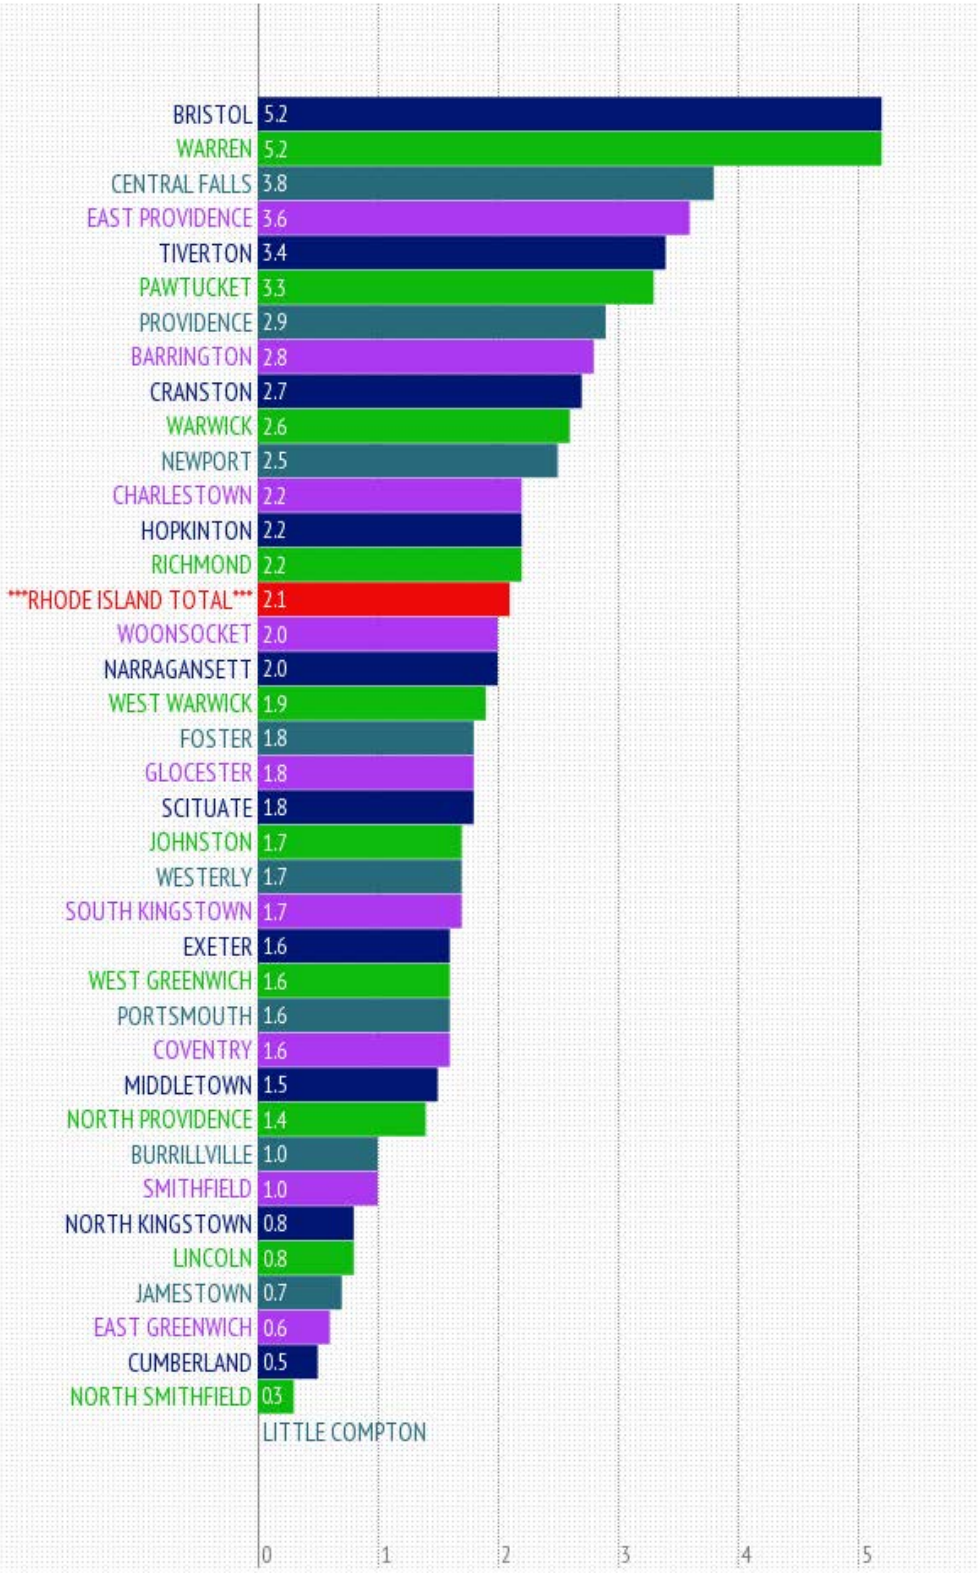
The percent of middle school students in the 2012-2013 school year that responded "yes" to the question, "Have you ever been under the influence of alcohol at school during the past 12 months?" Data are unavailable for New Shoreham and Jamestown.

Middle School Current Alcohol Use 2012-2013



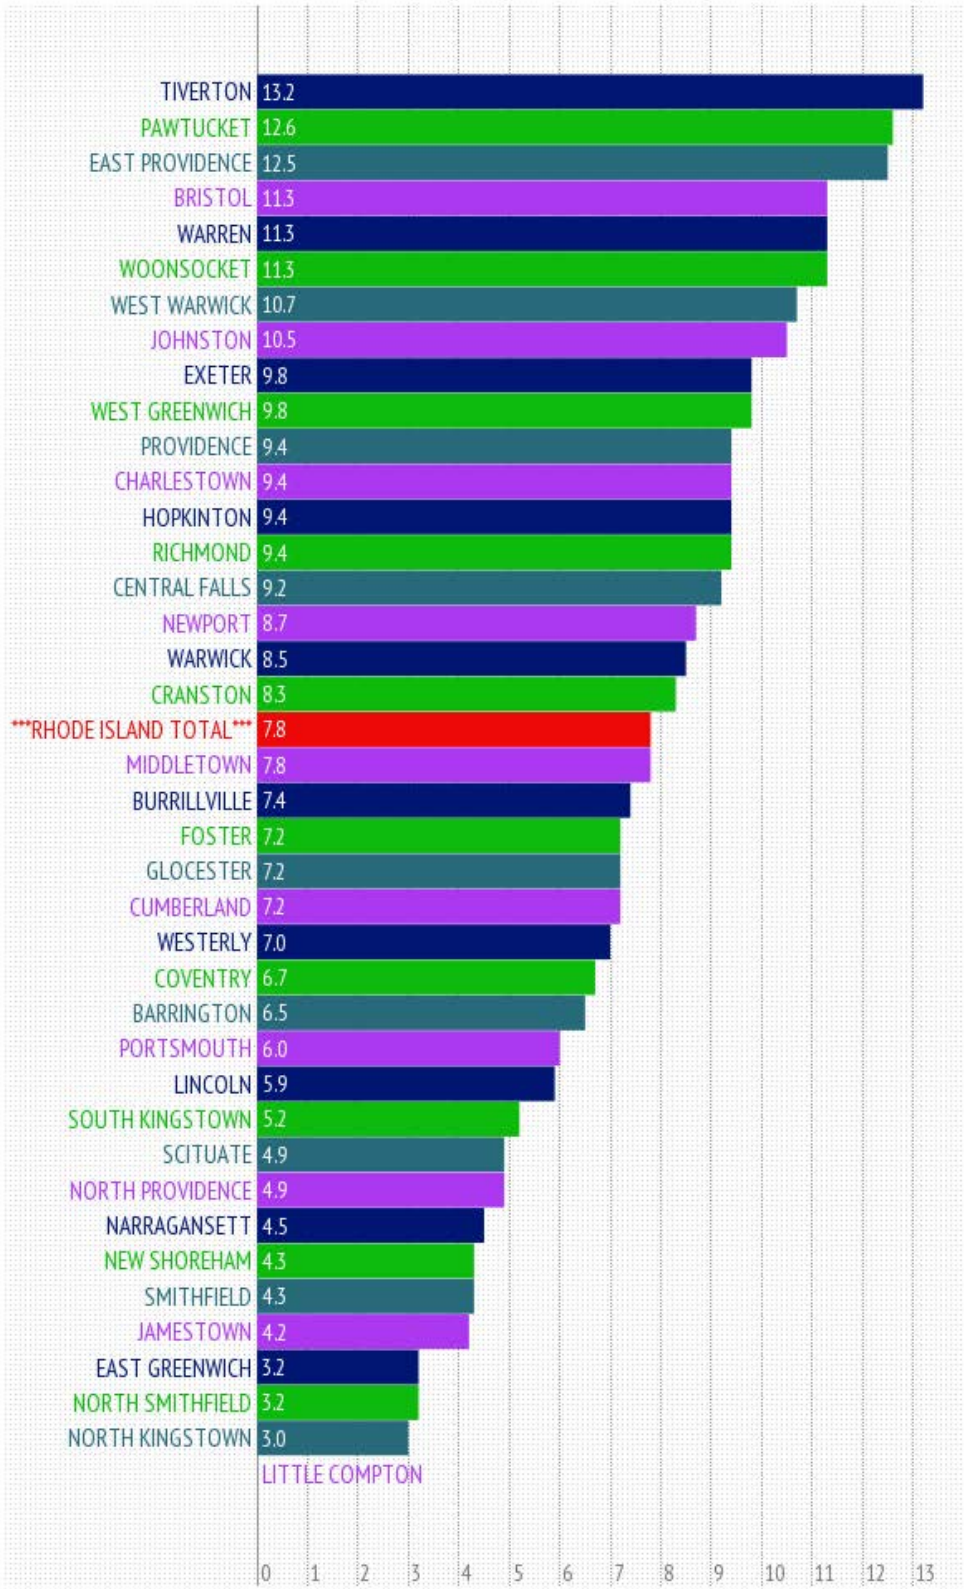
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you drank alcohol 1 or more times in the past 30 days?”

Middle School Moderate Alcohol Use 2012-2013



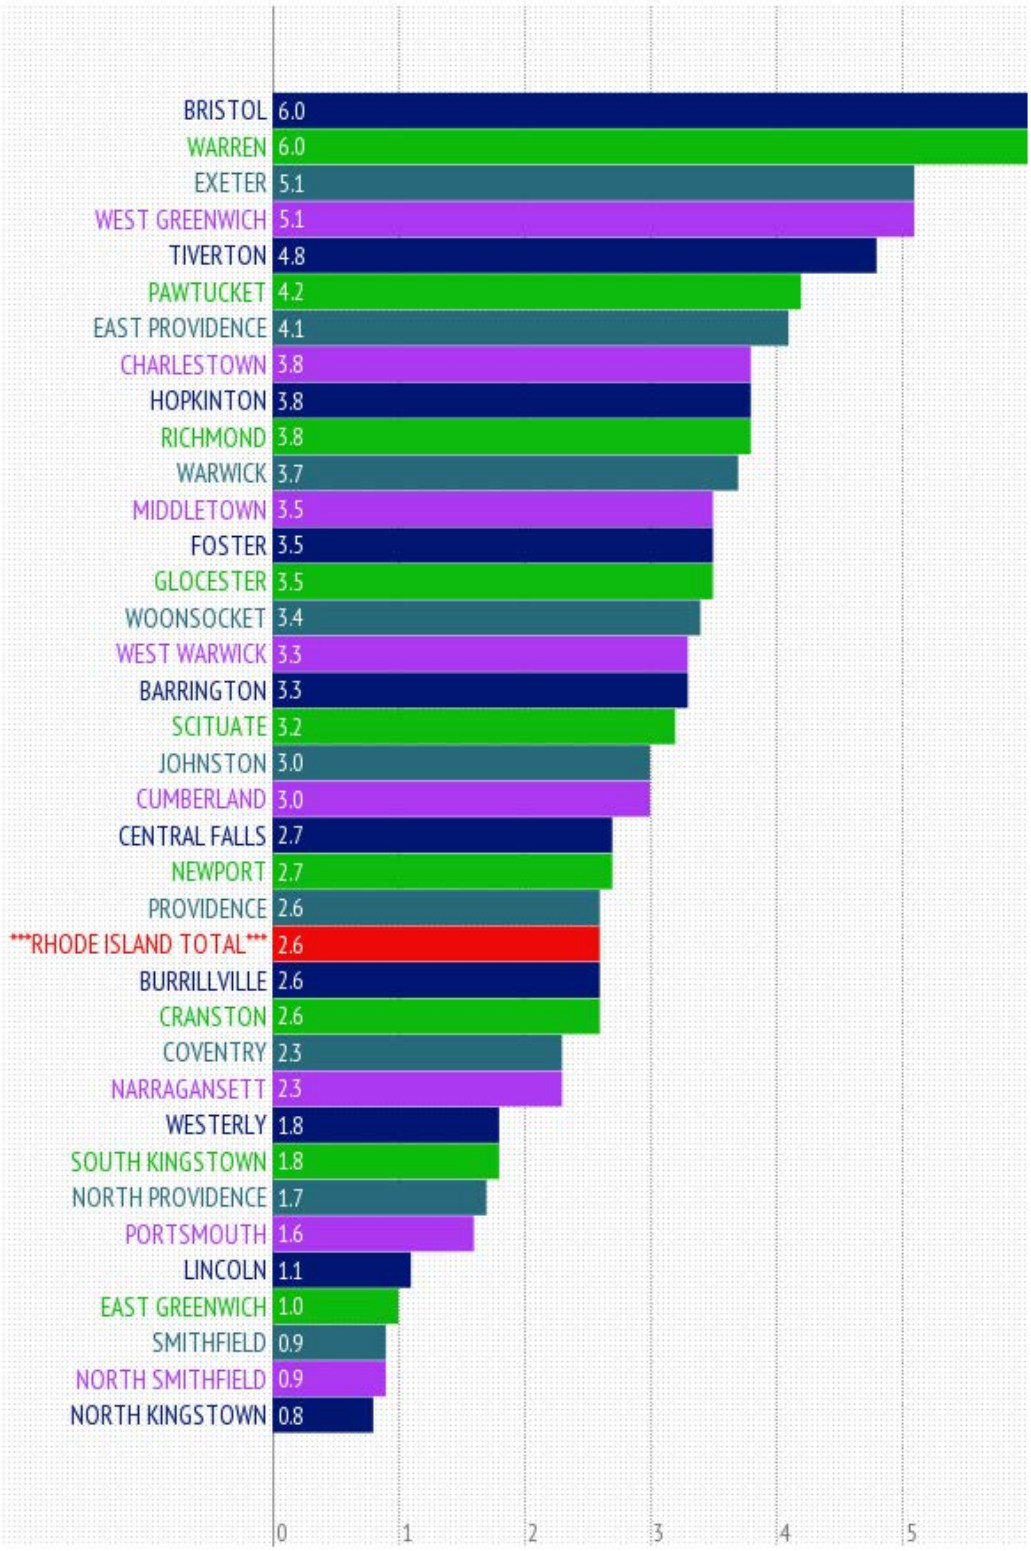
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you drank alcohol 6 or more times in the past 30 days?”

Middle School Ever Smoked 2012-2013



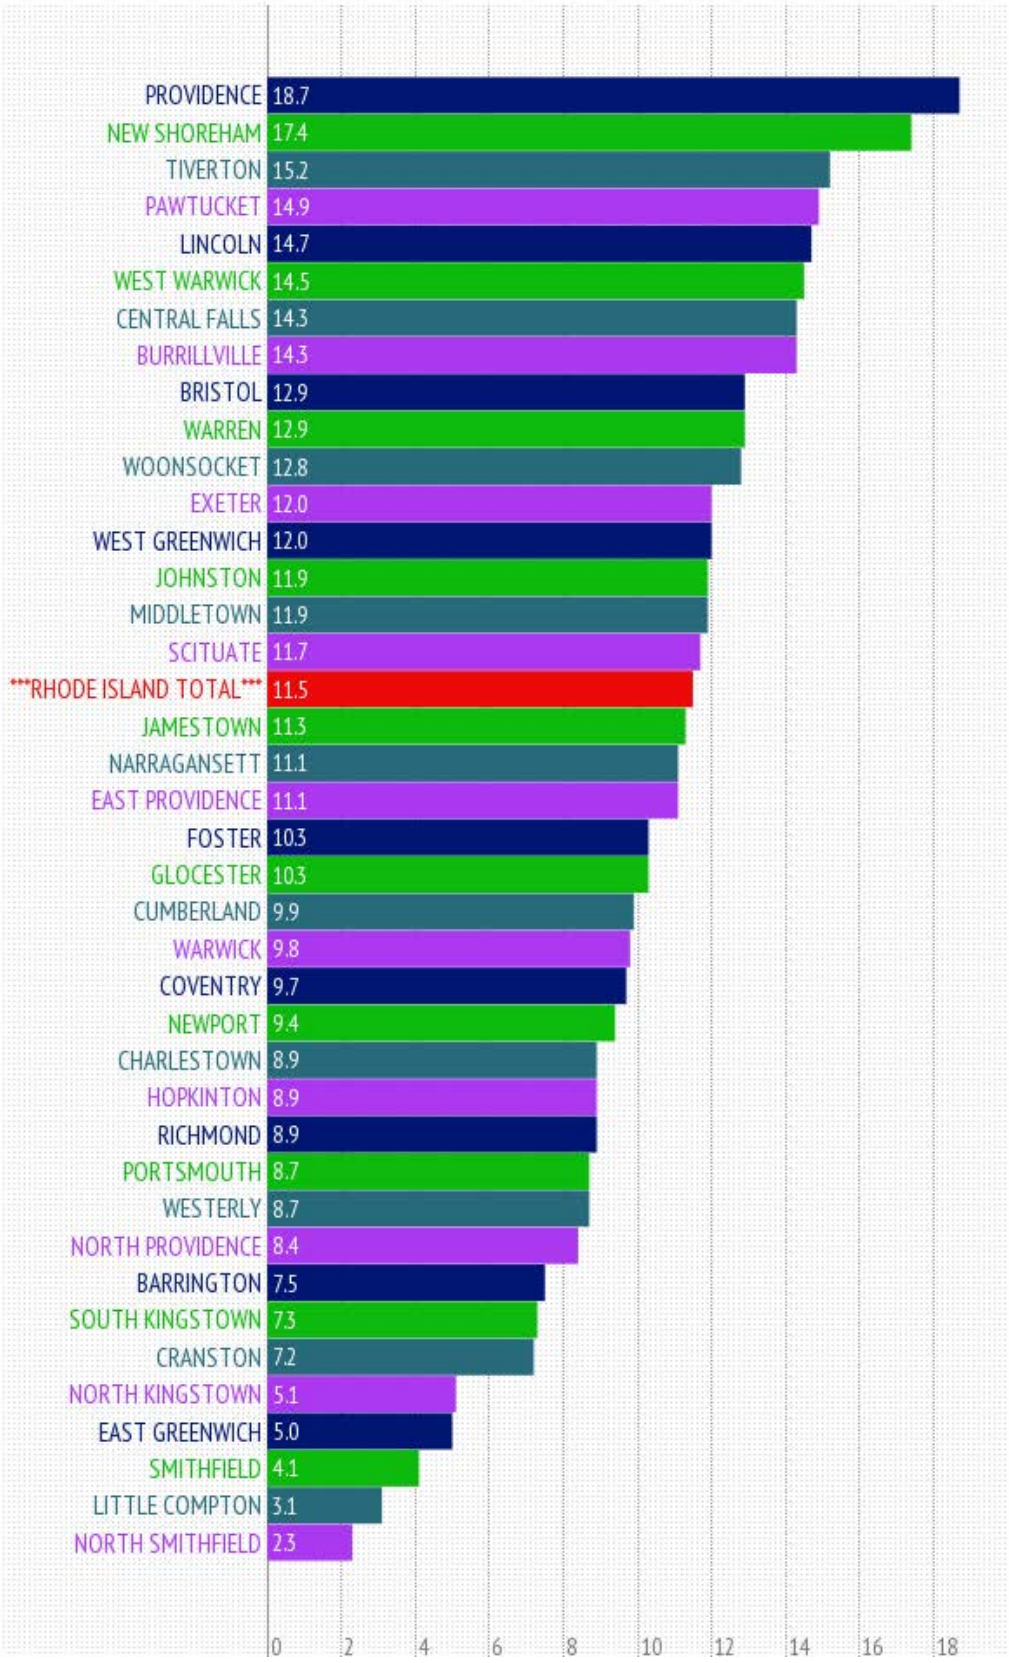
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you ever smoked a cigarette, even one or two puffs?”

Middle School Current Smoking 2012-2013



The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you smoked a cigarette in the past 30 days?” Data are unavailable for New Shoreham, Jamestown, and Little Compton.

Middle School Fights at School 2012-2013

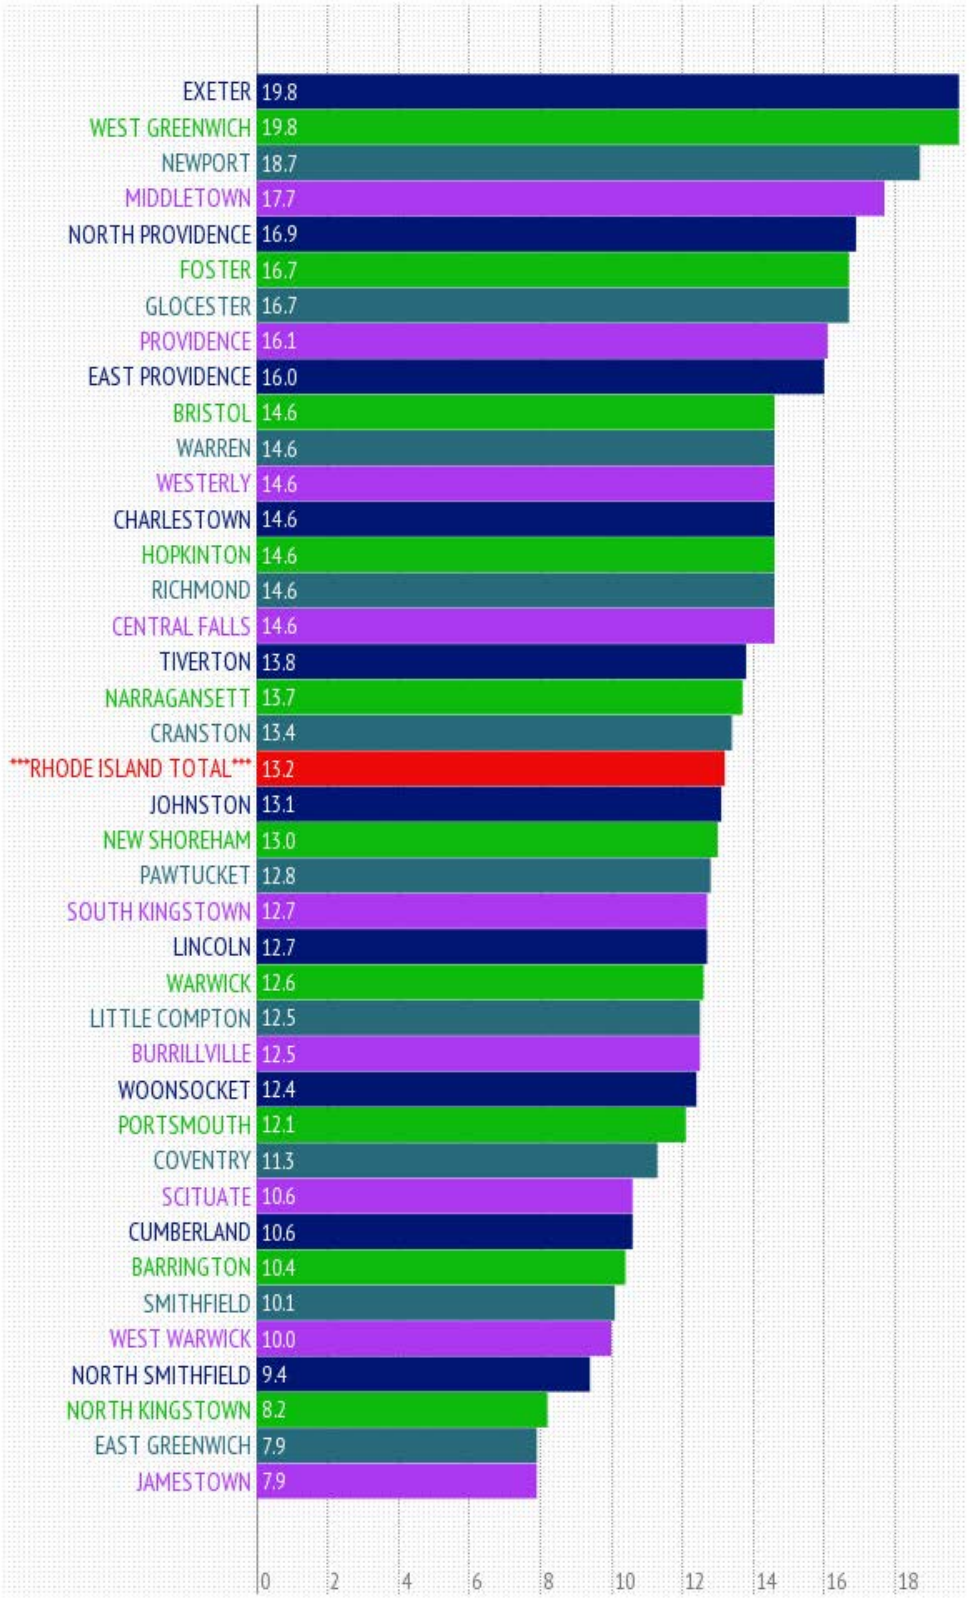


The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “During the past 12 months, have you been in a physical fight on school property?”

Middle School Weapons at School 2012-2013

The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “During the past 12 months, have you seen another student with a weapon, like a gun, knife or club at this school?”

Middle School Skipping Class 2012-2013

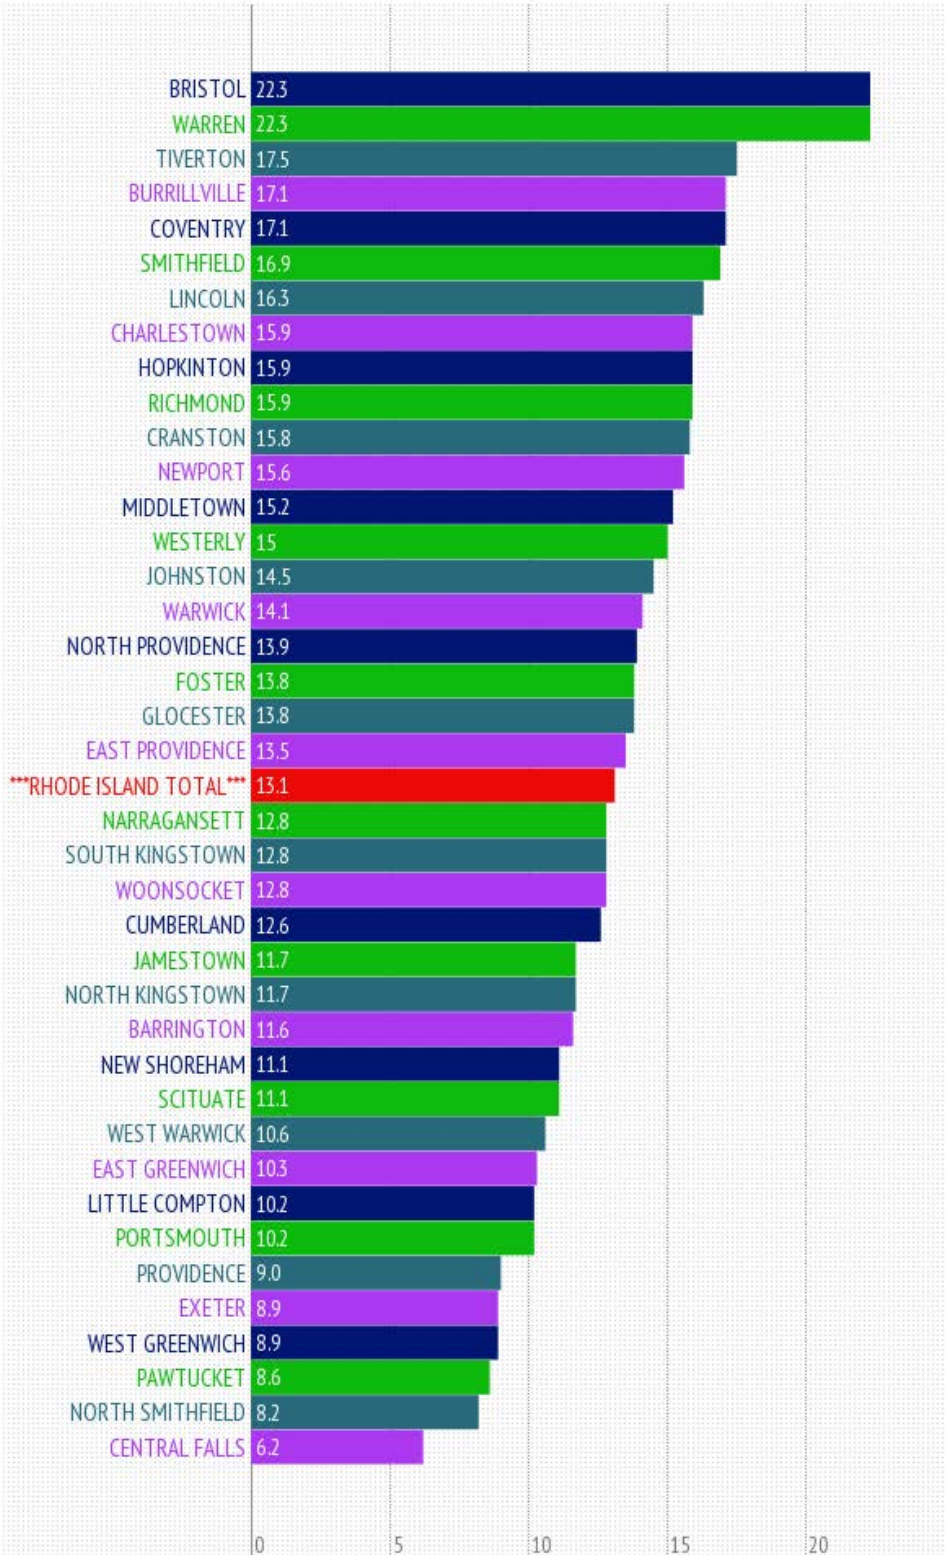


The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “Have you skipped class in the past 12 months?”

Middle School Depression 2012-2013

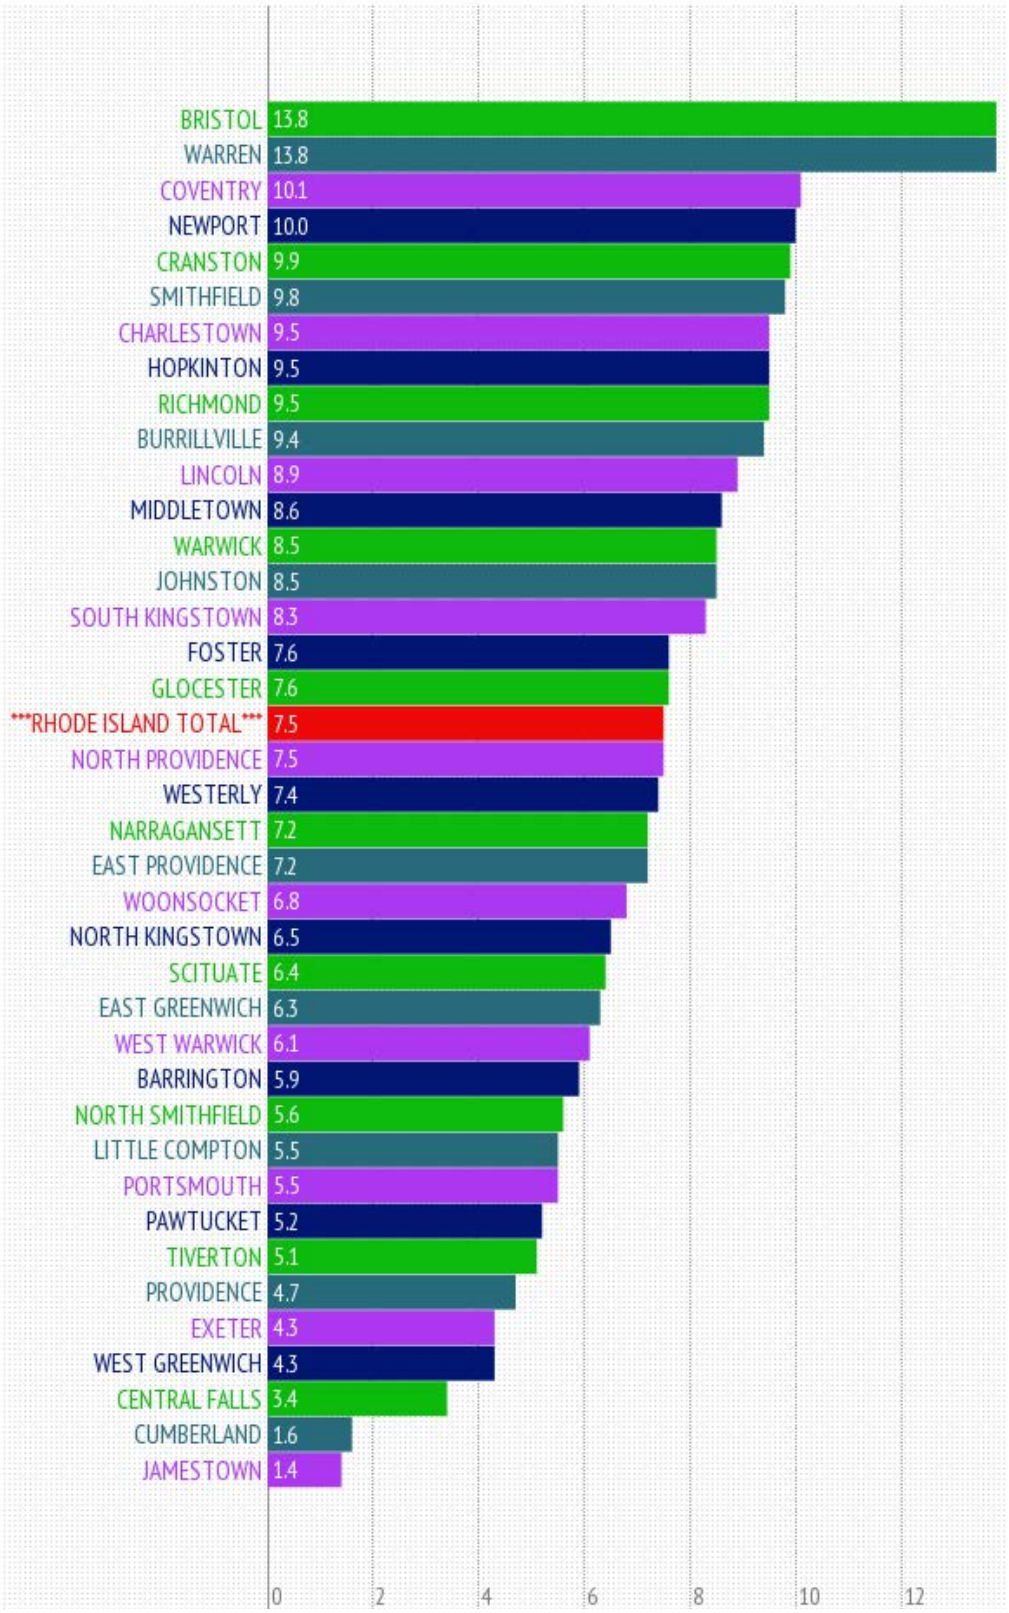
The percent of middle school students in the 2012-2013 school year that responded “yes” to the question, “During the past 12 months, did you ever feel so sad or hopeless almost every day for two weeks or more that you did not feel like doing anything?”

High School Prescription Drug Use 2012-2013



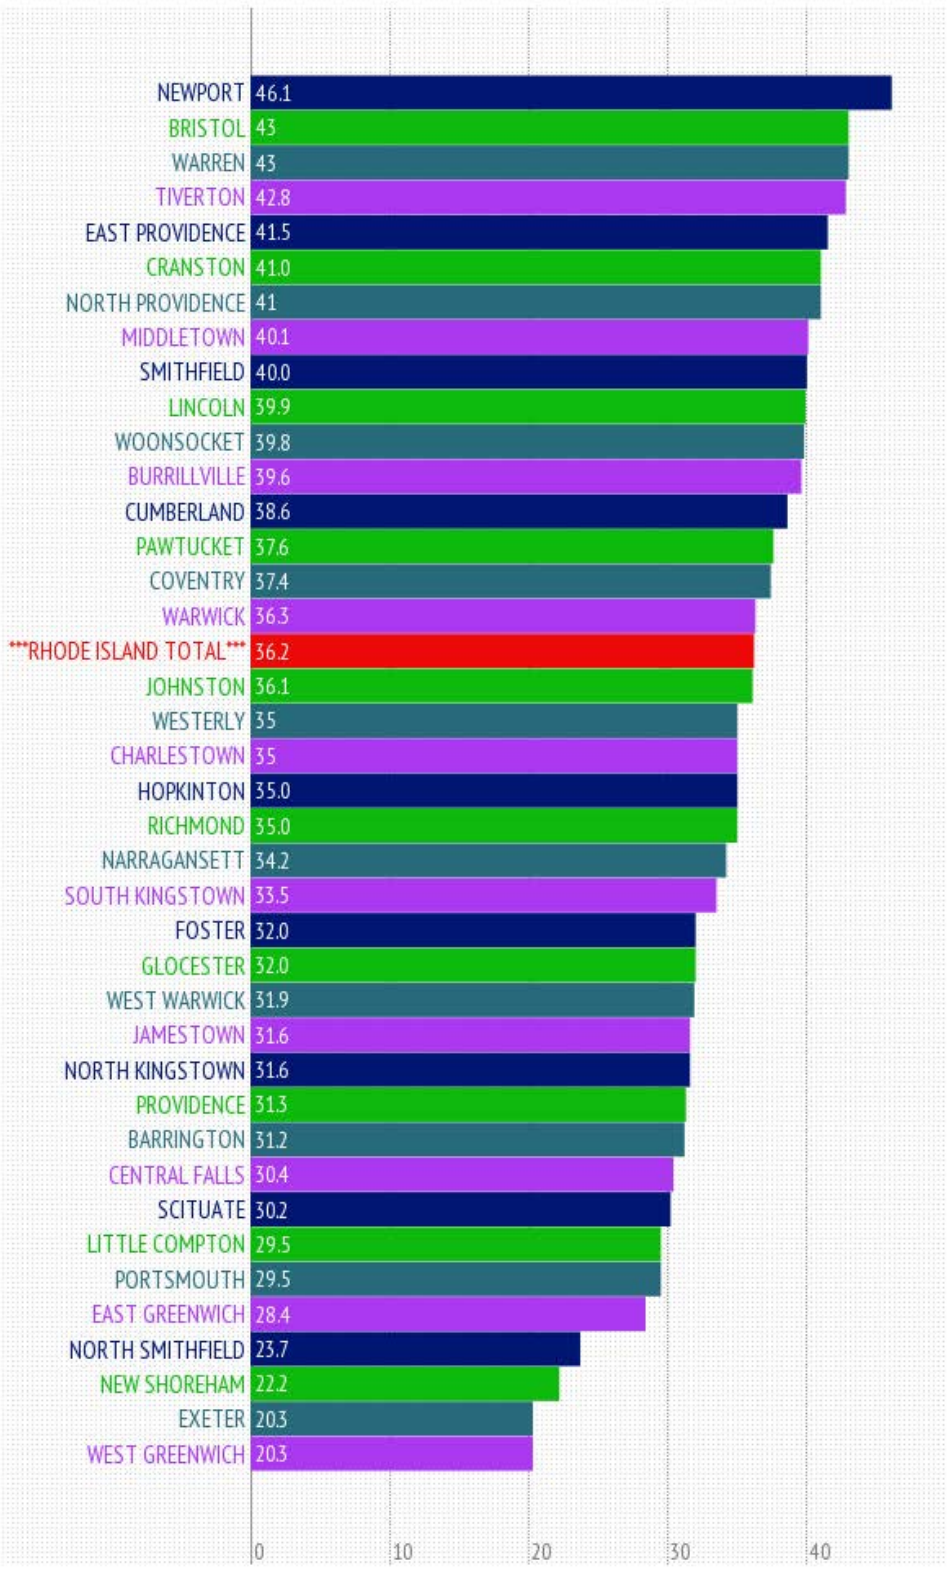
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you tried prescription drugs (such as OxyContin, Percocet, Vicodin, codeine, Adderall, Ritalin, or Xanax) without a doctor’s prescription?”

High School
Current Prescription Drug Use 2012-2013



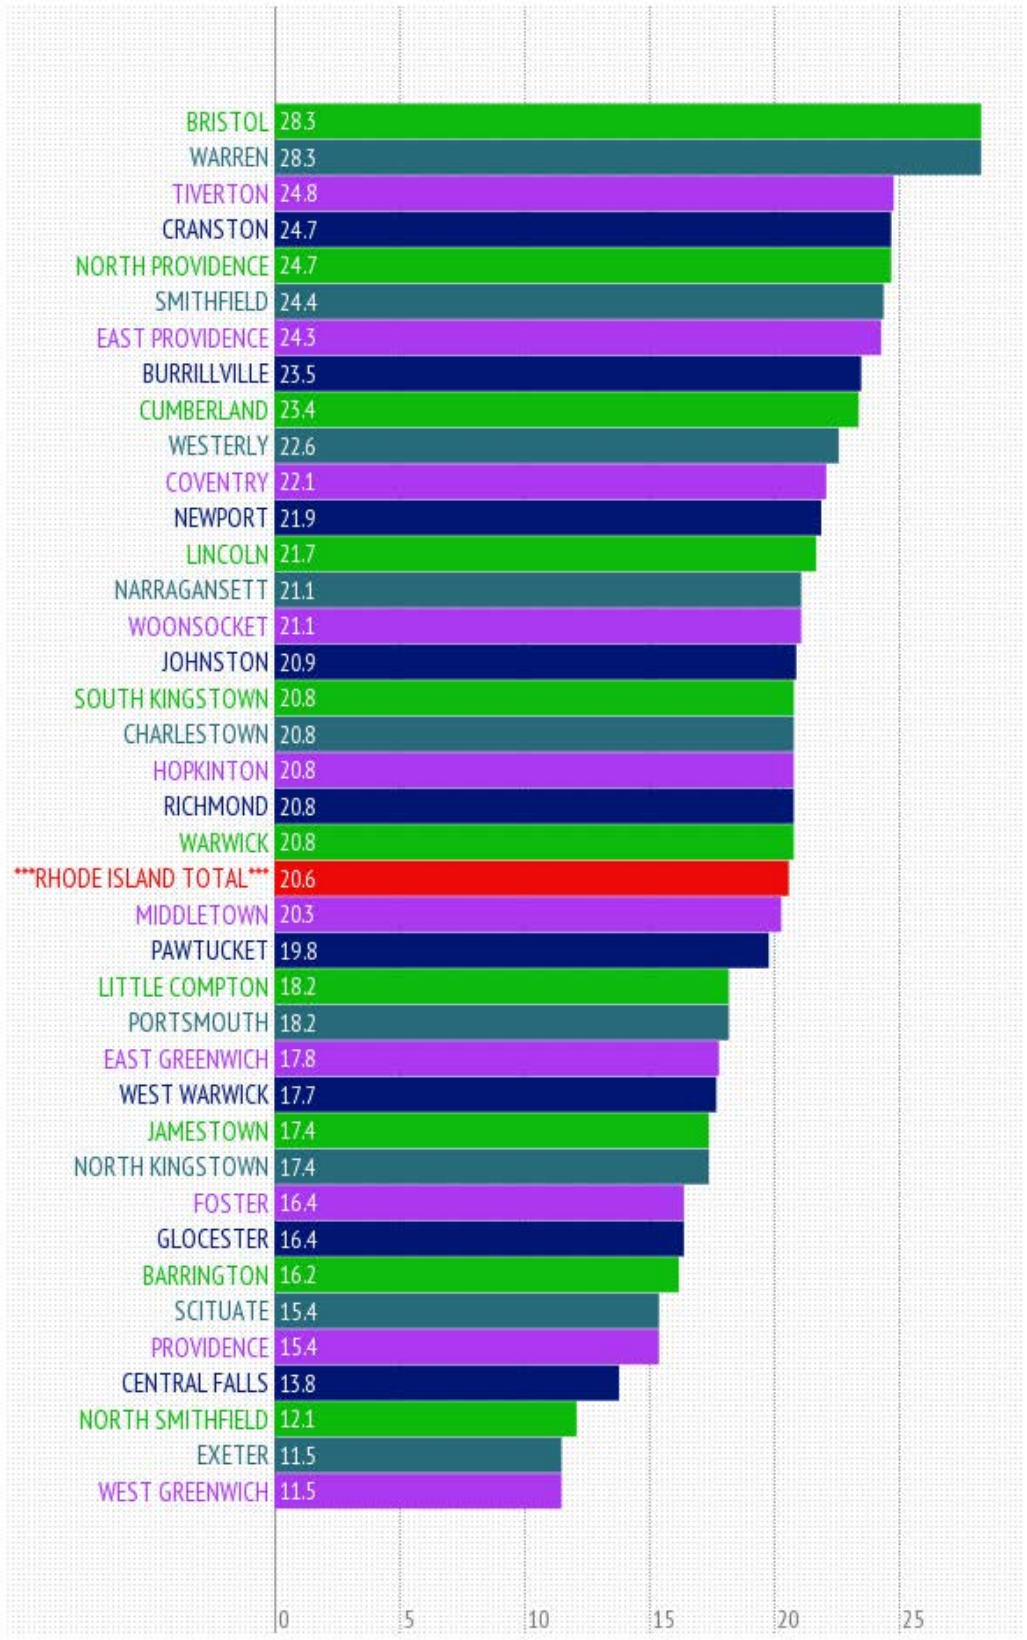
The percent of high school students in the 2012-2013 school year that responded "yes" to the question, "Have you used prescription drugs (such as OxyContin, Percocet, Vicodin, codeine, Adderall, Ritalin, or Xanax) without a doctor's prescription in the past 30 days?" Data for New Shoreham are unavailable.

High School Marijuana Use 2012-2013



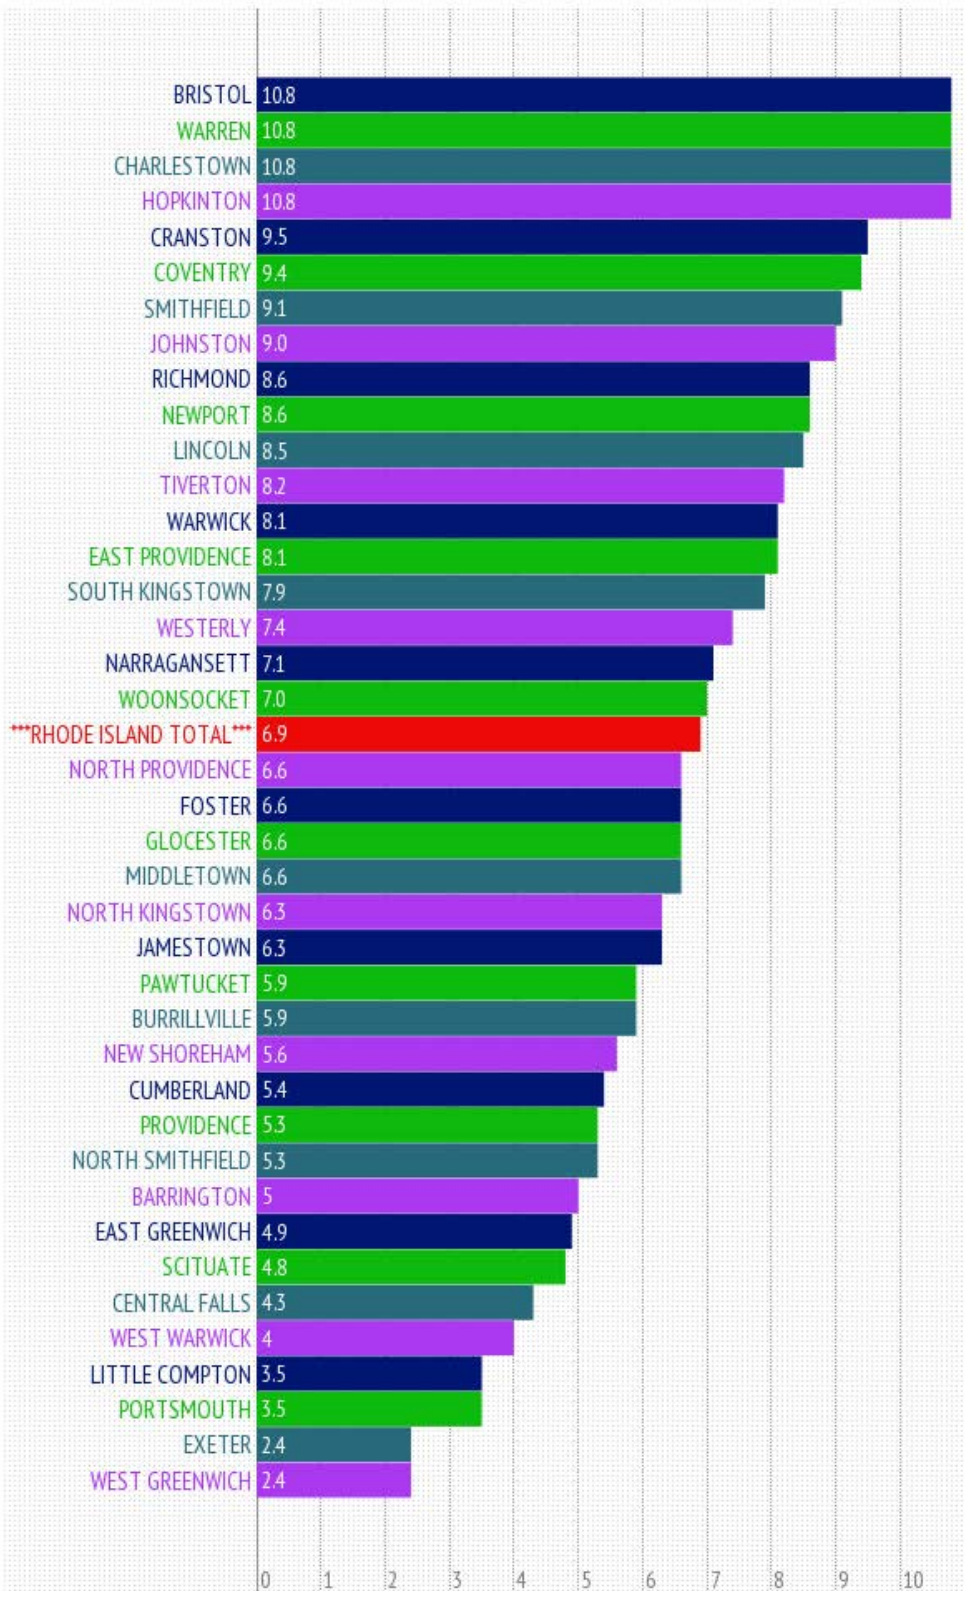
The percent of high school students in the 2012-2013 school year that responded "yes" to the question, "Have you tried marijuana?"

High School Current Marijuana Use 2012-2013



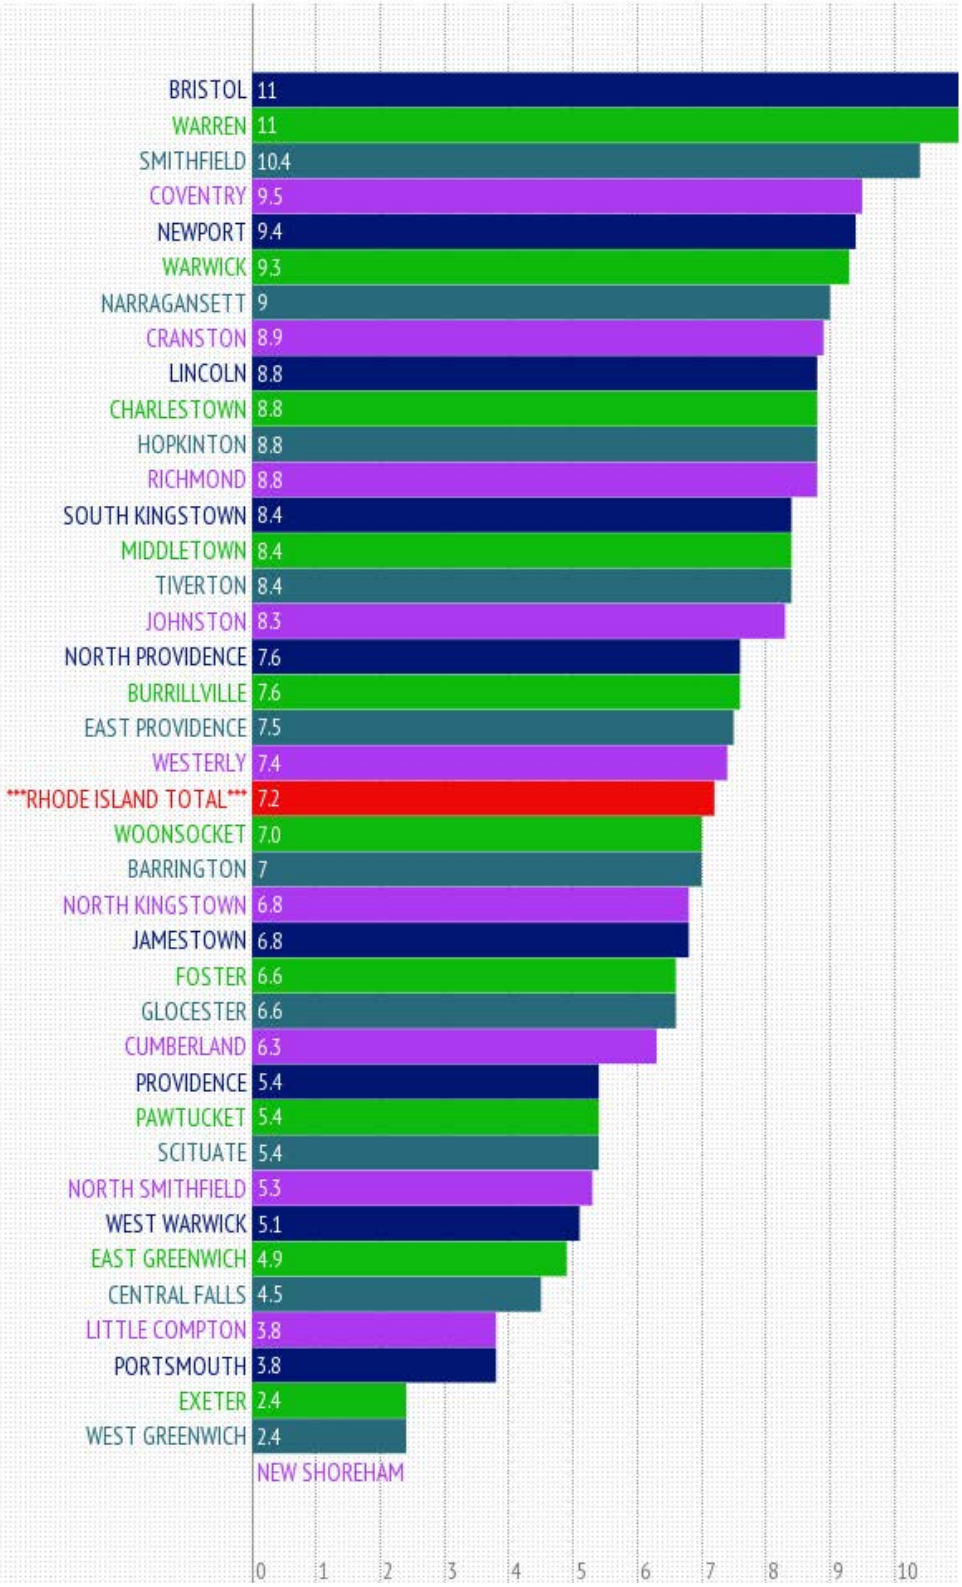
The percent of high school students in the 2012-2013 school year that responded "yes" to the question, "Have you used marijuana in the past 30 days?" Data for New Shoreham are unavailable.

High School Inhalant Use 2012-2013



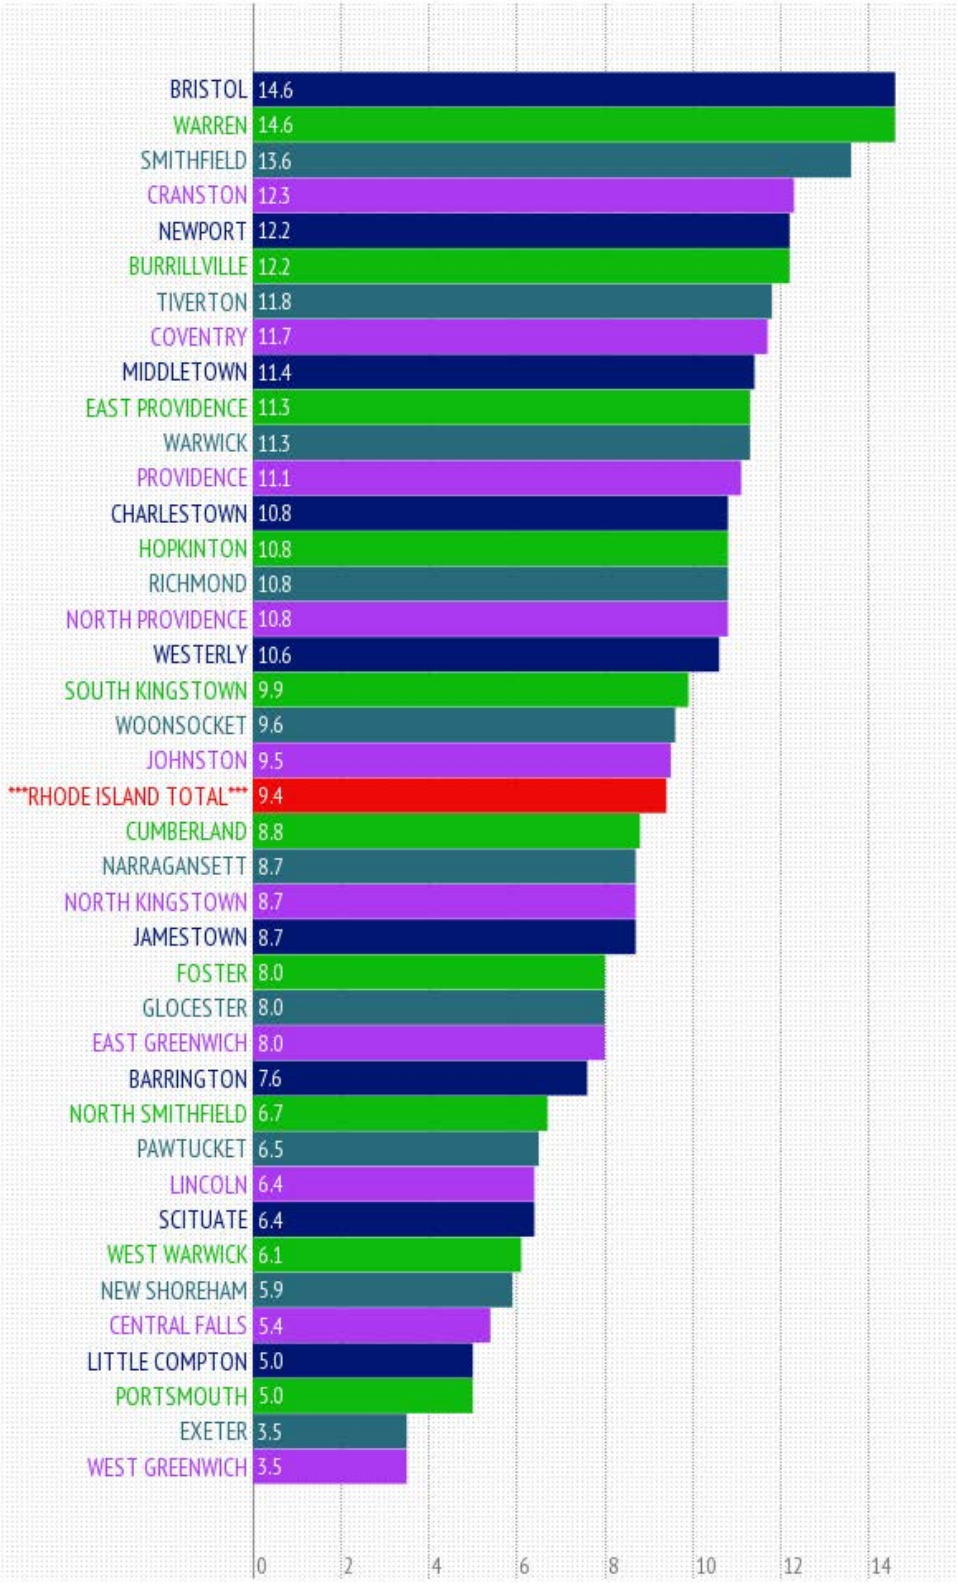
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you tried inhalants (huffing)?

High School Cocaine Use 2012-2013



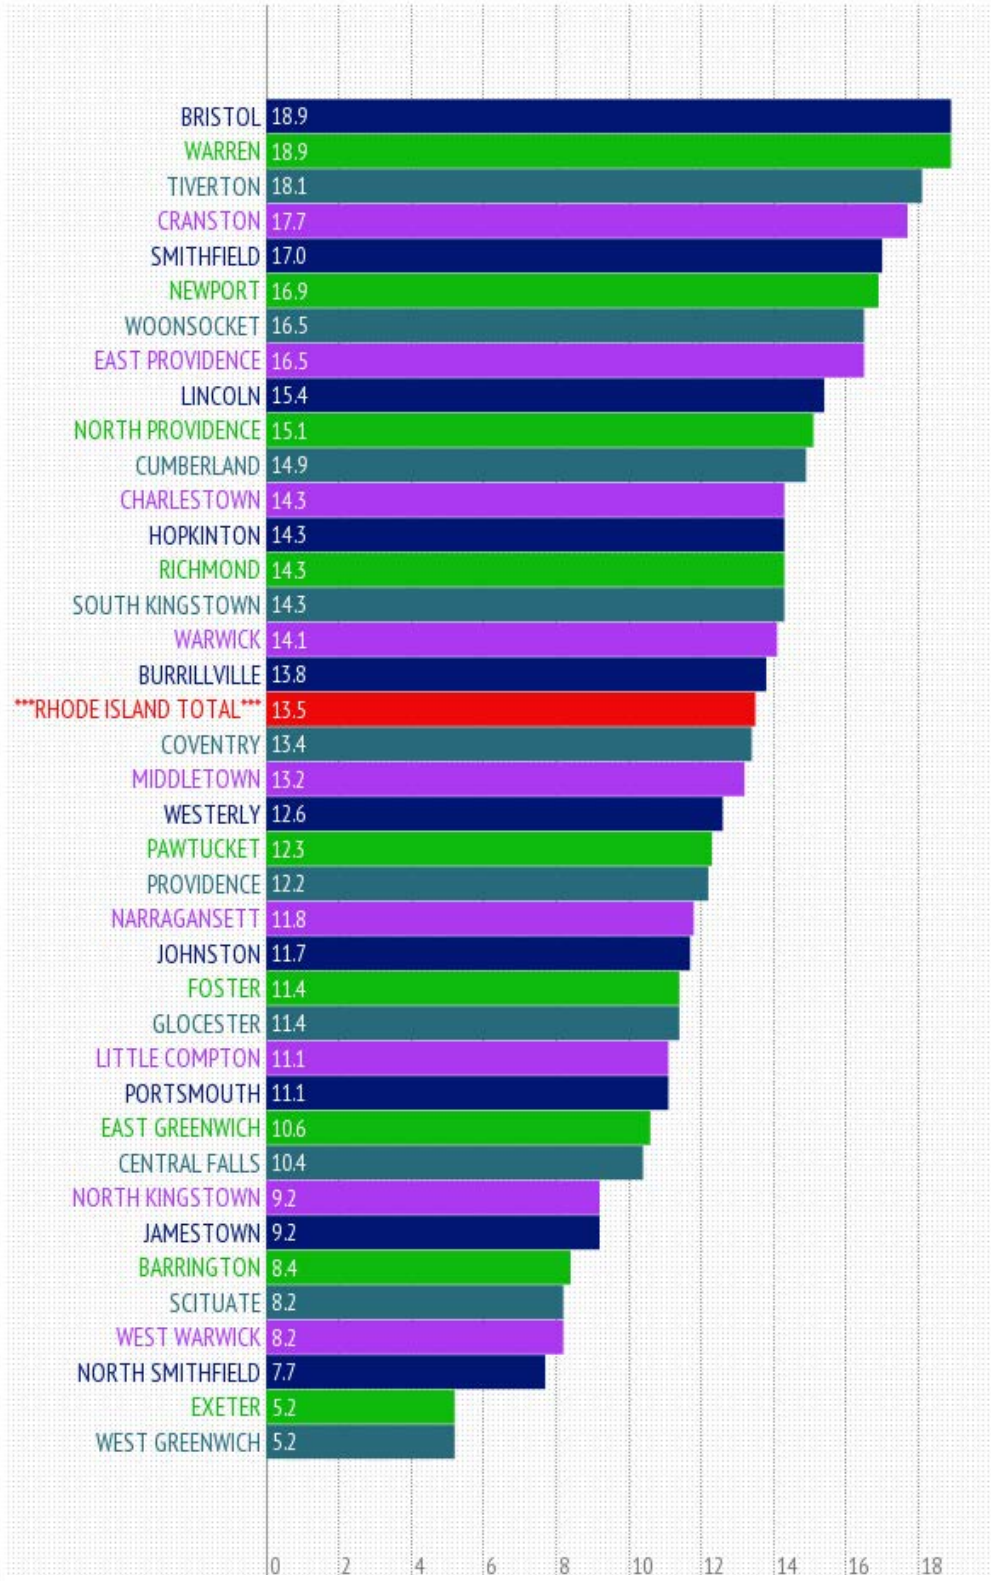
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you tried cocaine?”

High School Other Drug Use 2012-2013



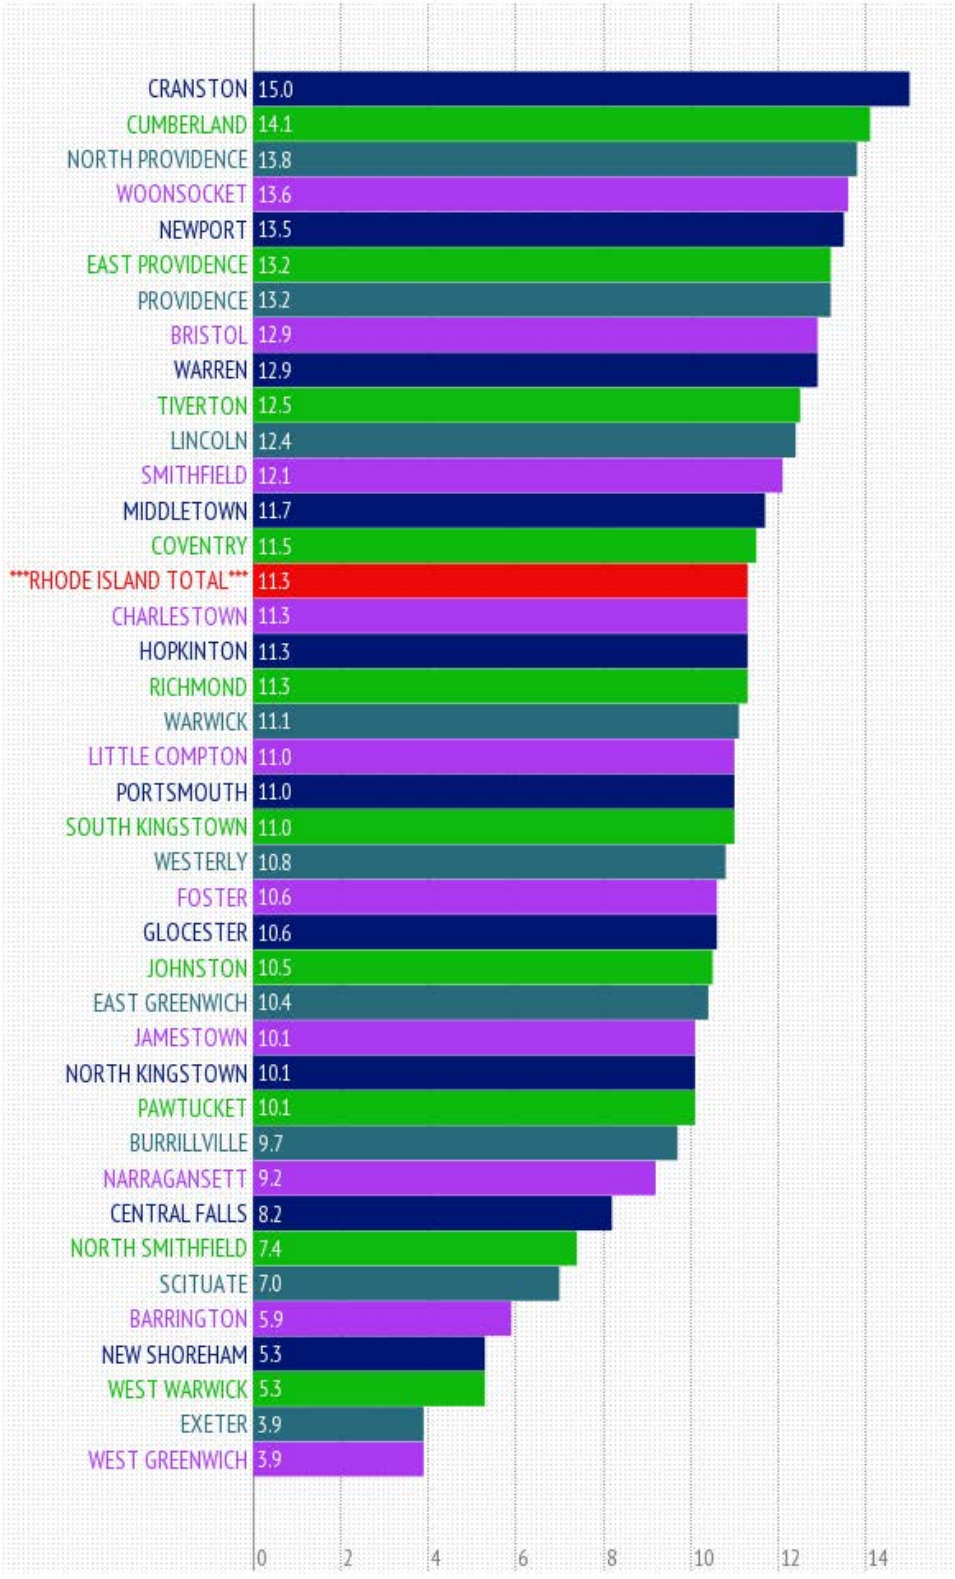
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you tried other illegal drugs?”

High School
Under Influence of Drugs at School 2012-2013



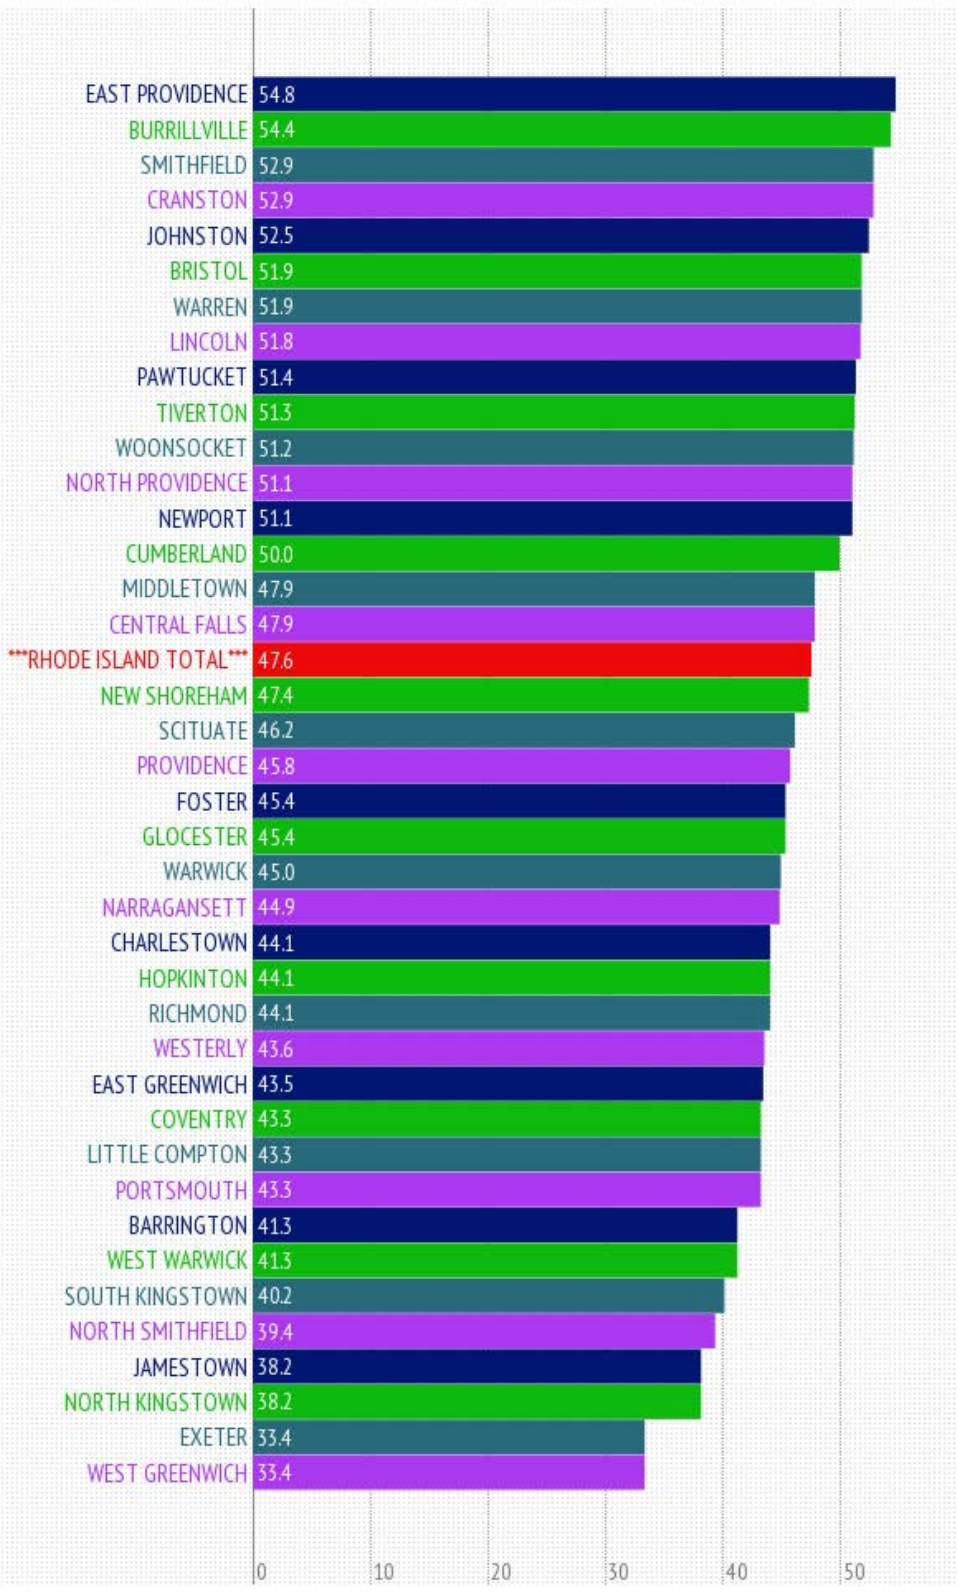
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you been under the influence of drugs at school during the past 12 months?”

High School Given Drugs at School 2012-2013



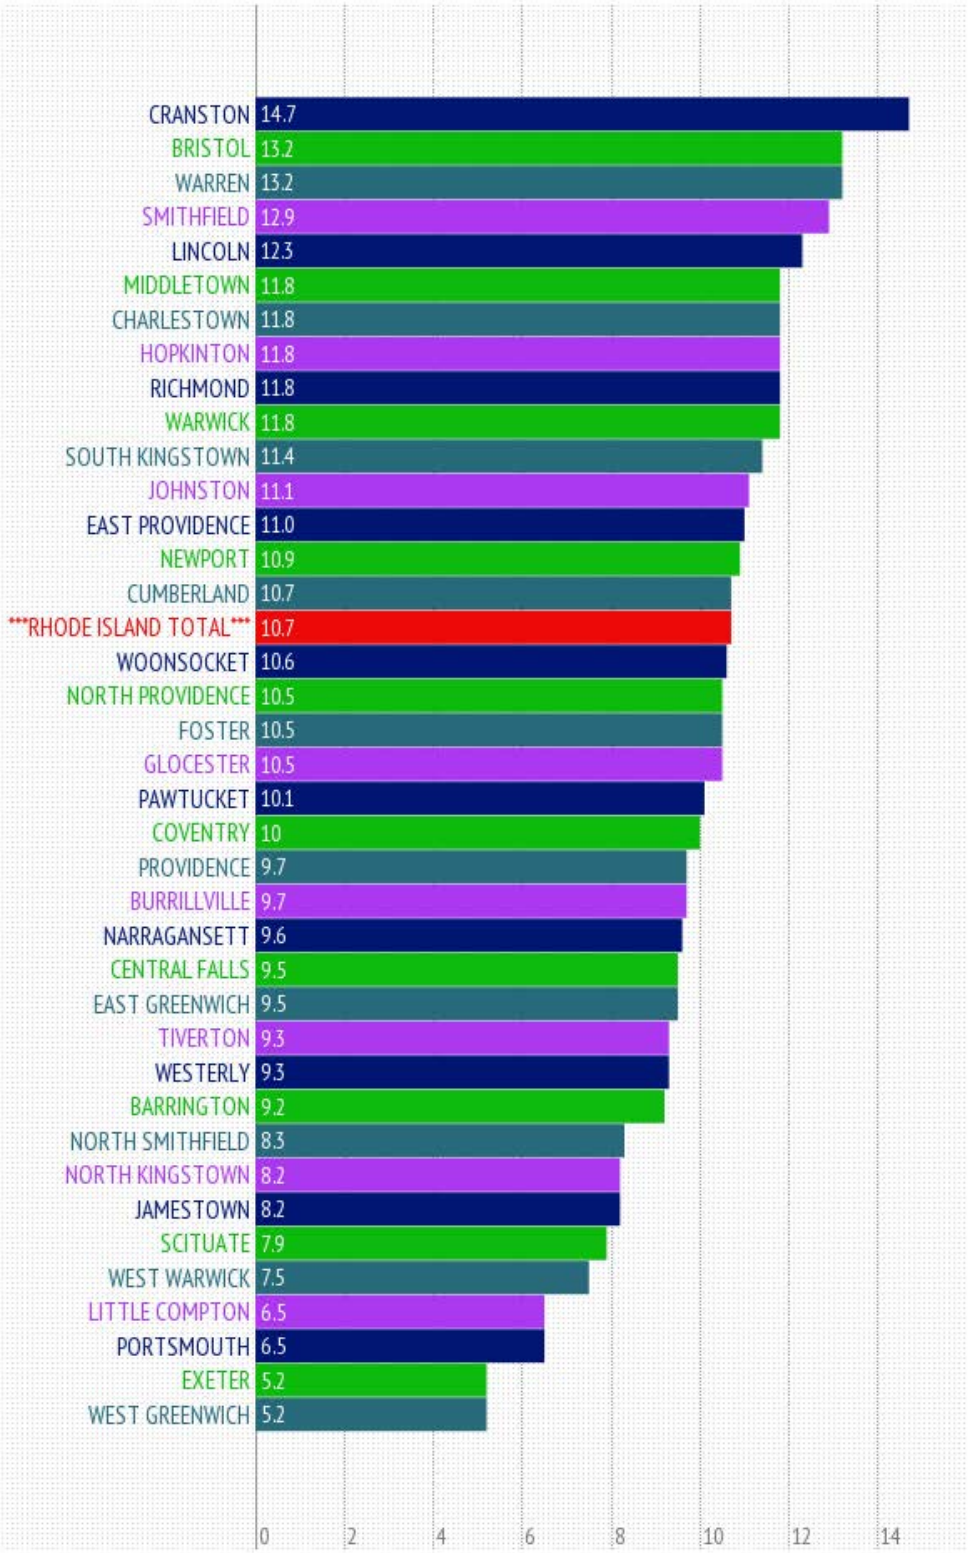
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “During the past 12 months, has anyone offered, sold or given you an illegal drug on school property?”

High School Ever Alcohol Use 2012-2013



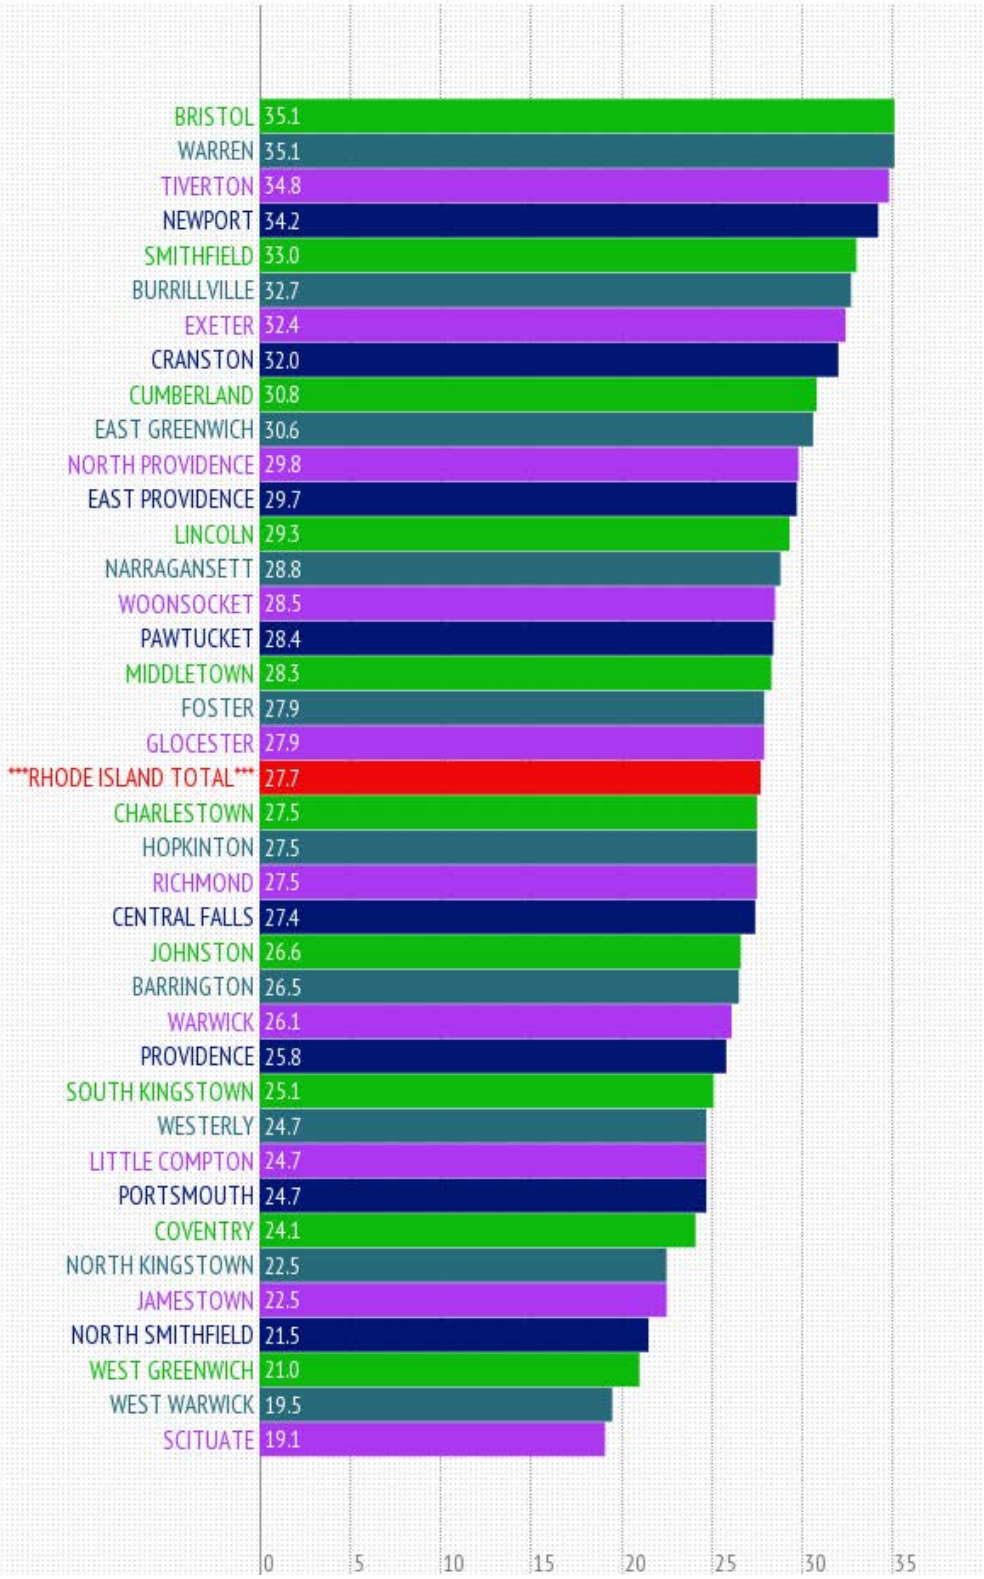
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you ever drunk beer, wine, or alcohol (other than a few sips or for religious ceremonies)?”

High School Alcohol at School 2012-2013



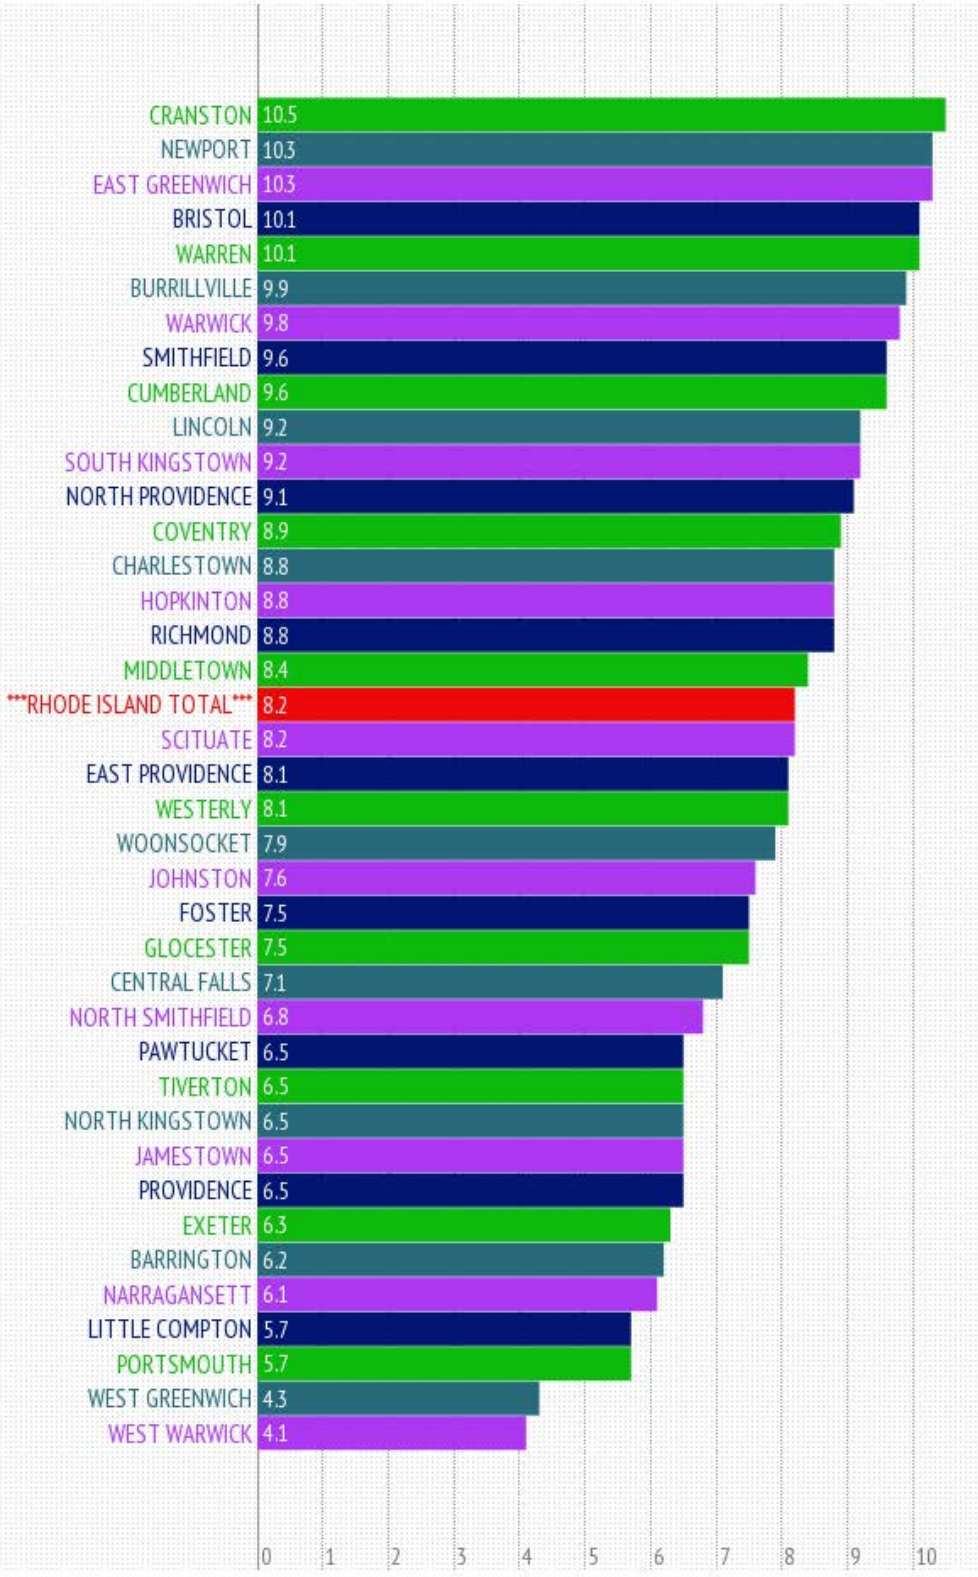
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you ever been under the influence of alcohol at school during the past 12 months?” Data for New Shoreham are unavailable.

High School Current Alcohol Use 2012-2013



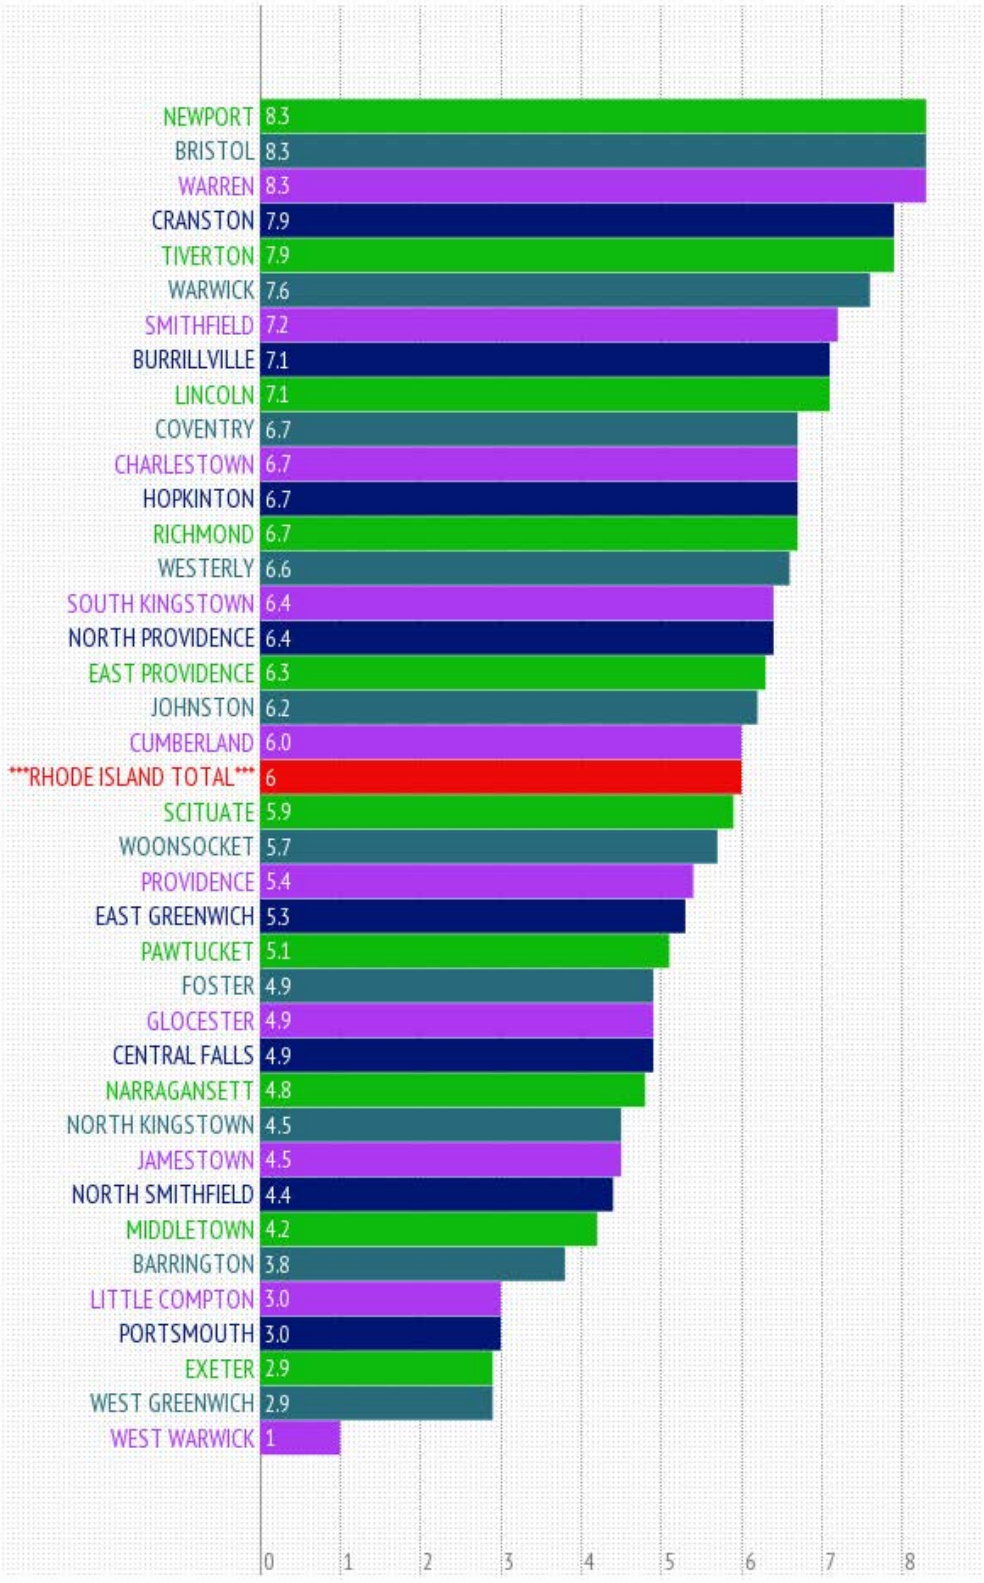
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you drank alcohol 1 or more times in the past 30 days?” Data for New Shoreham are unavailable.

High School Moderate Alcohol Use 2012-2013



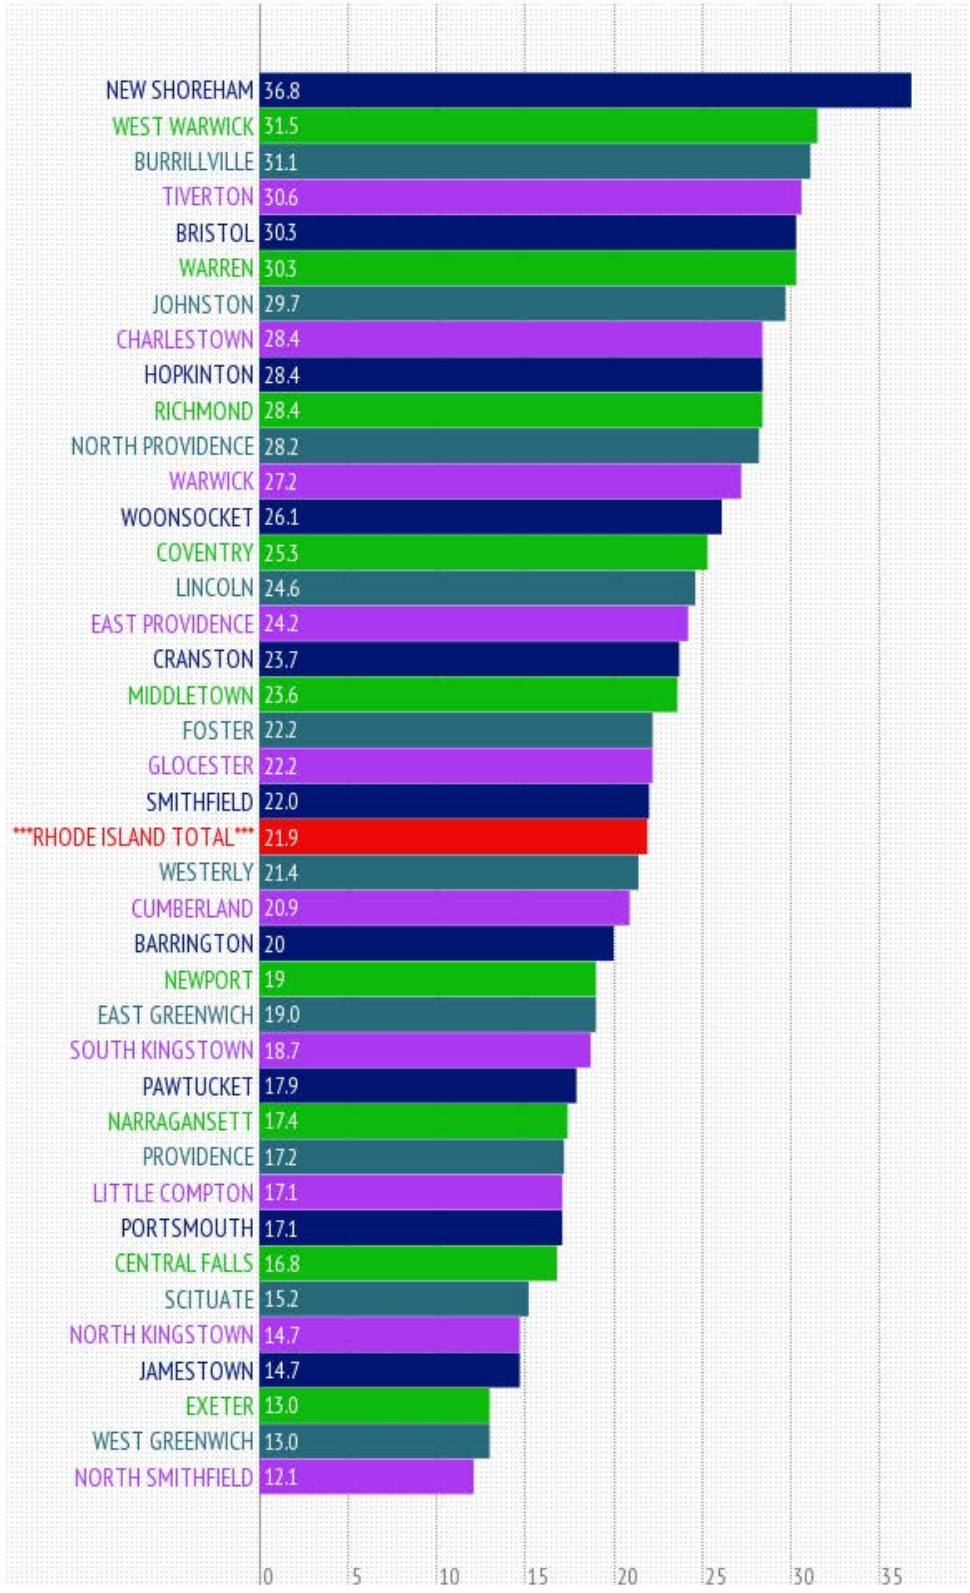
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you drank alcohol 6 or more times in the past 30 days?” Data for New Shoreham are unavailable.

High School Heavy Alcohol Use 2012-2013



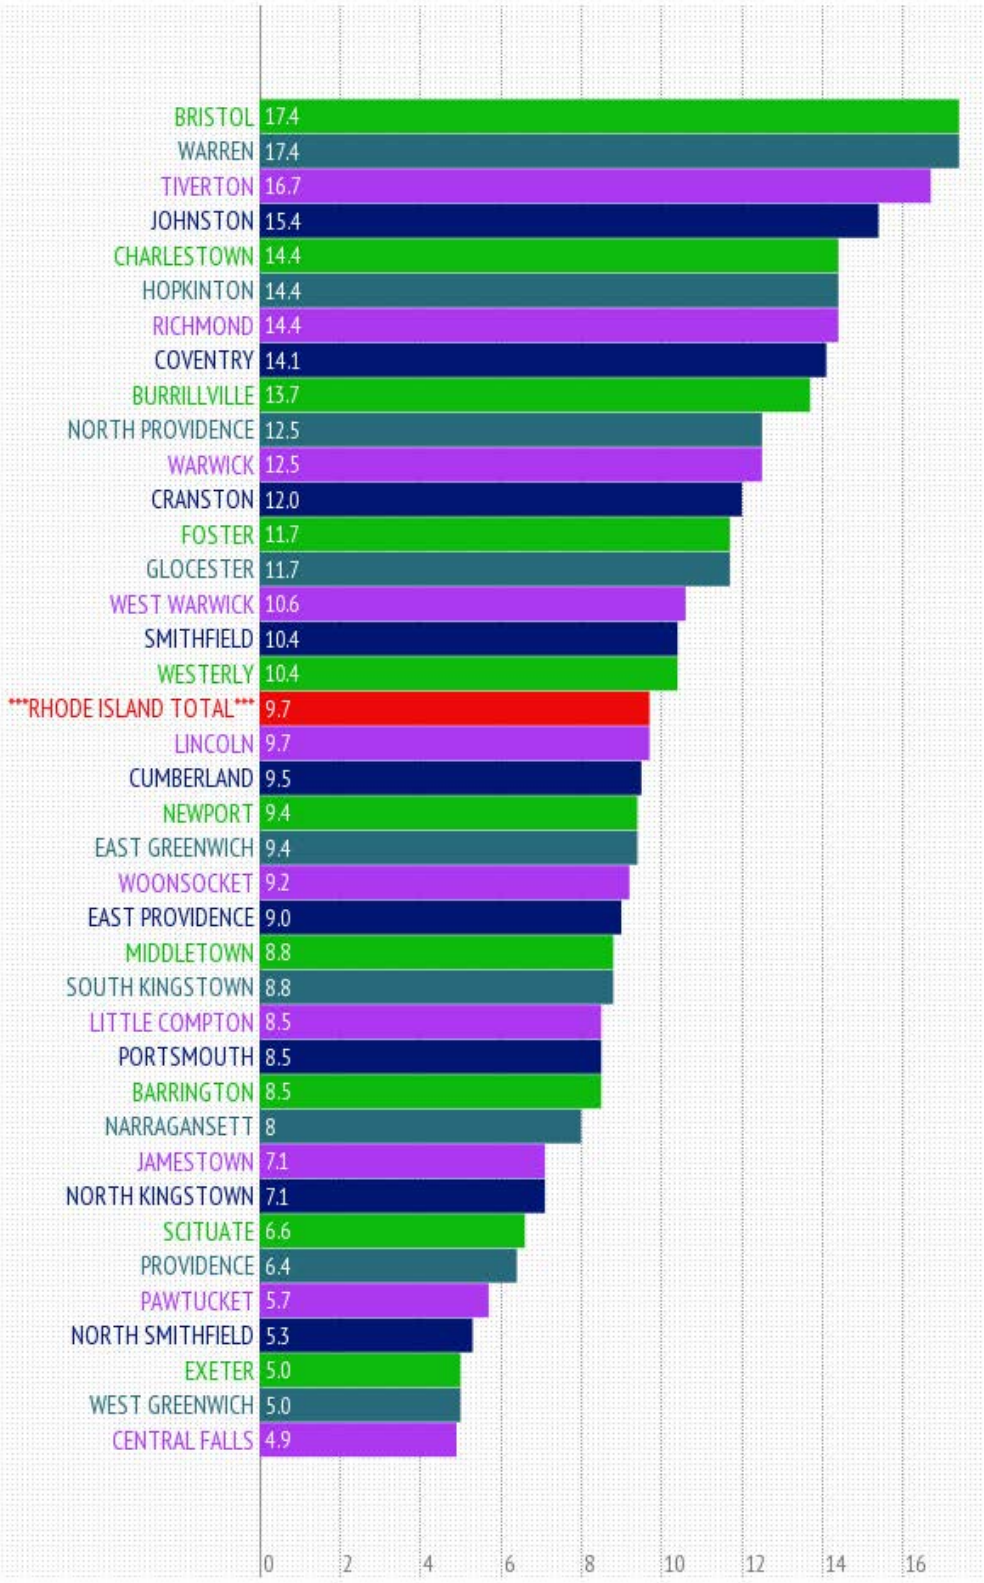
The percent of high school students in the 2012-2013 school year that responded "yes" to the question, "Have you drank alcohol 10 or more times in the past 30 days?" Data for New Shoreham are unavailable.

High School Ever Smoked 2012-2013



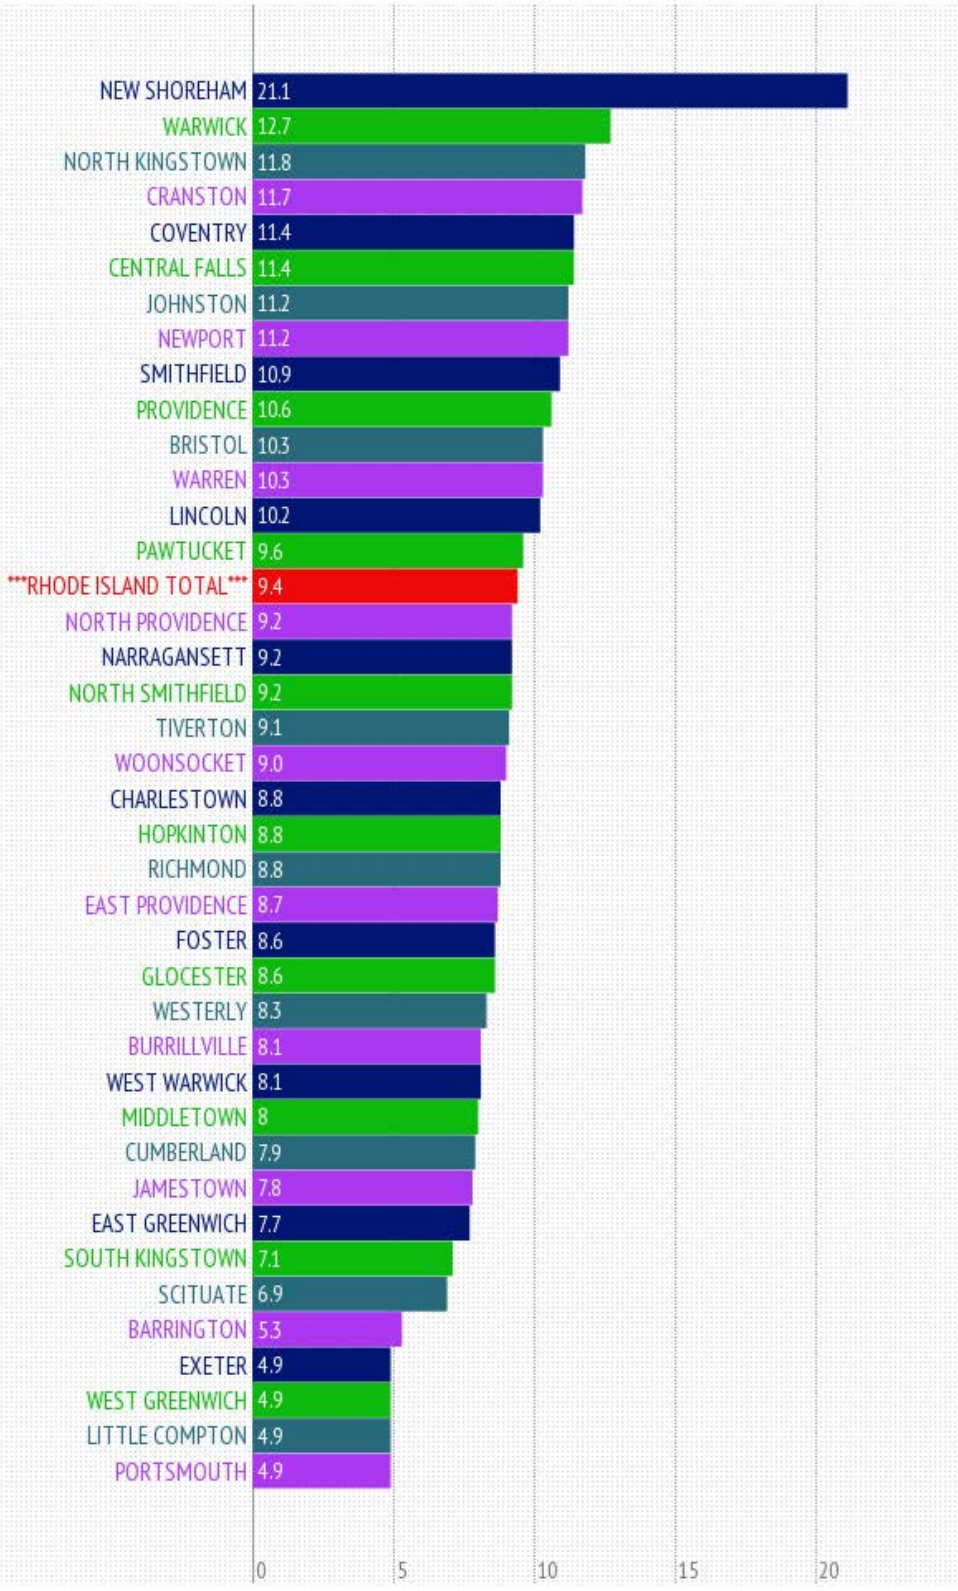
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “Have you ever smoked a cigarette, even one or two puffs?” Data for New Shoreham are unavailable.

High School Current Smoking 2012-2013



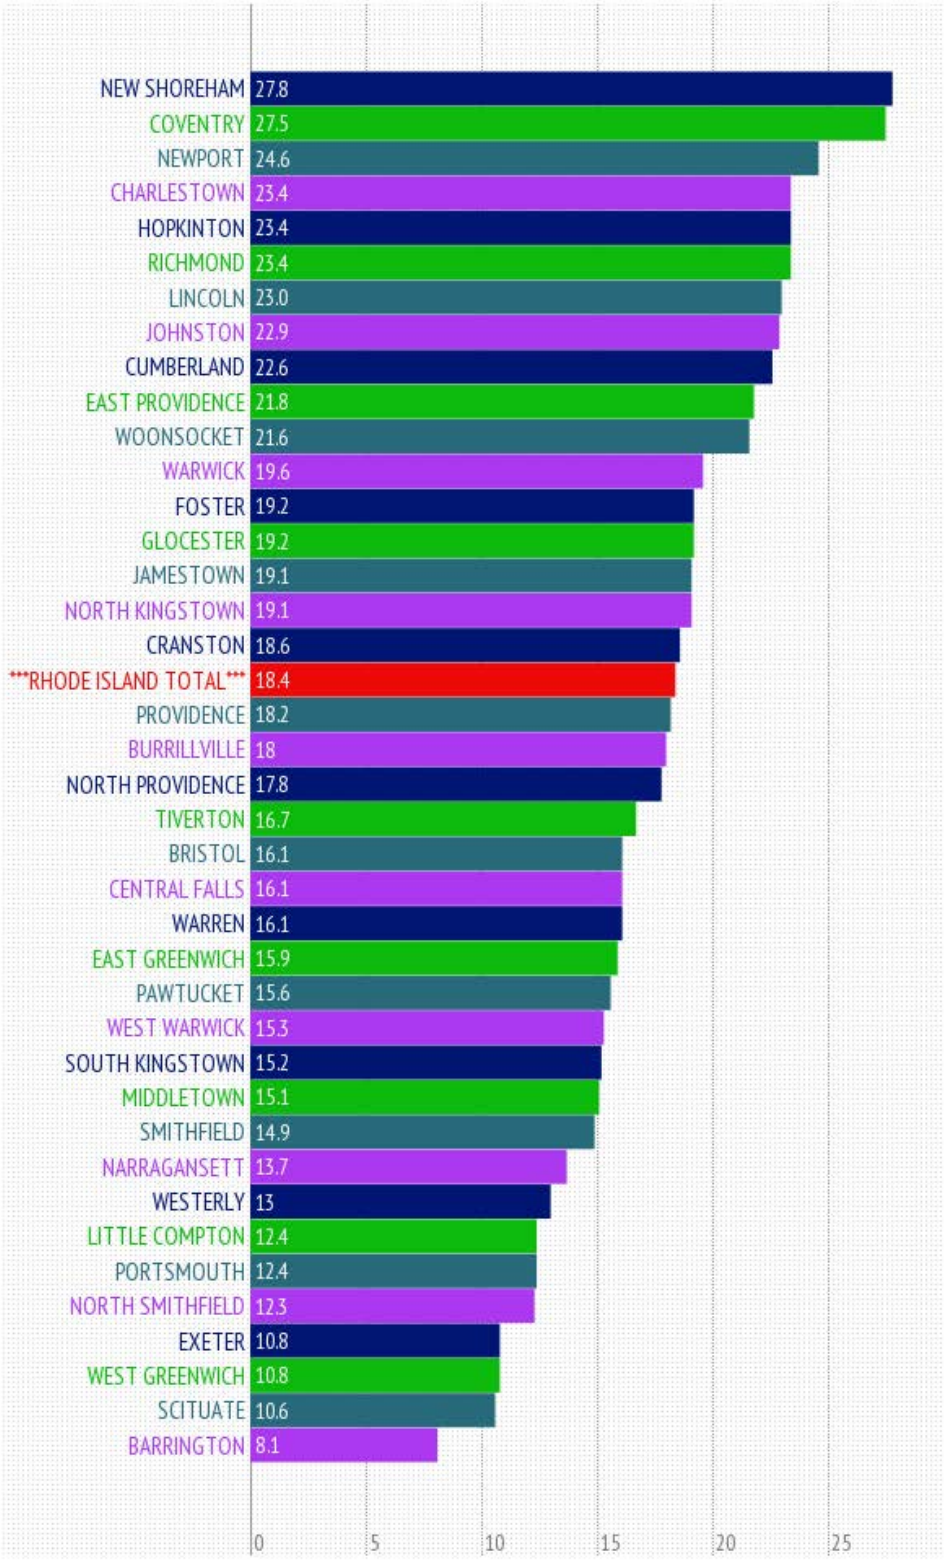
The percent of high school students in the 2012-2013 school year that responded "yes" to the question, "Have you smoked a cigarette in the past 30 days?"

High School Fights at School 2012-2013



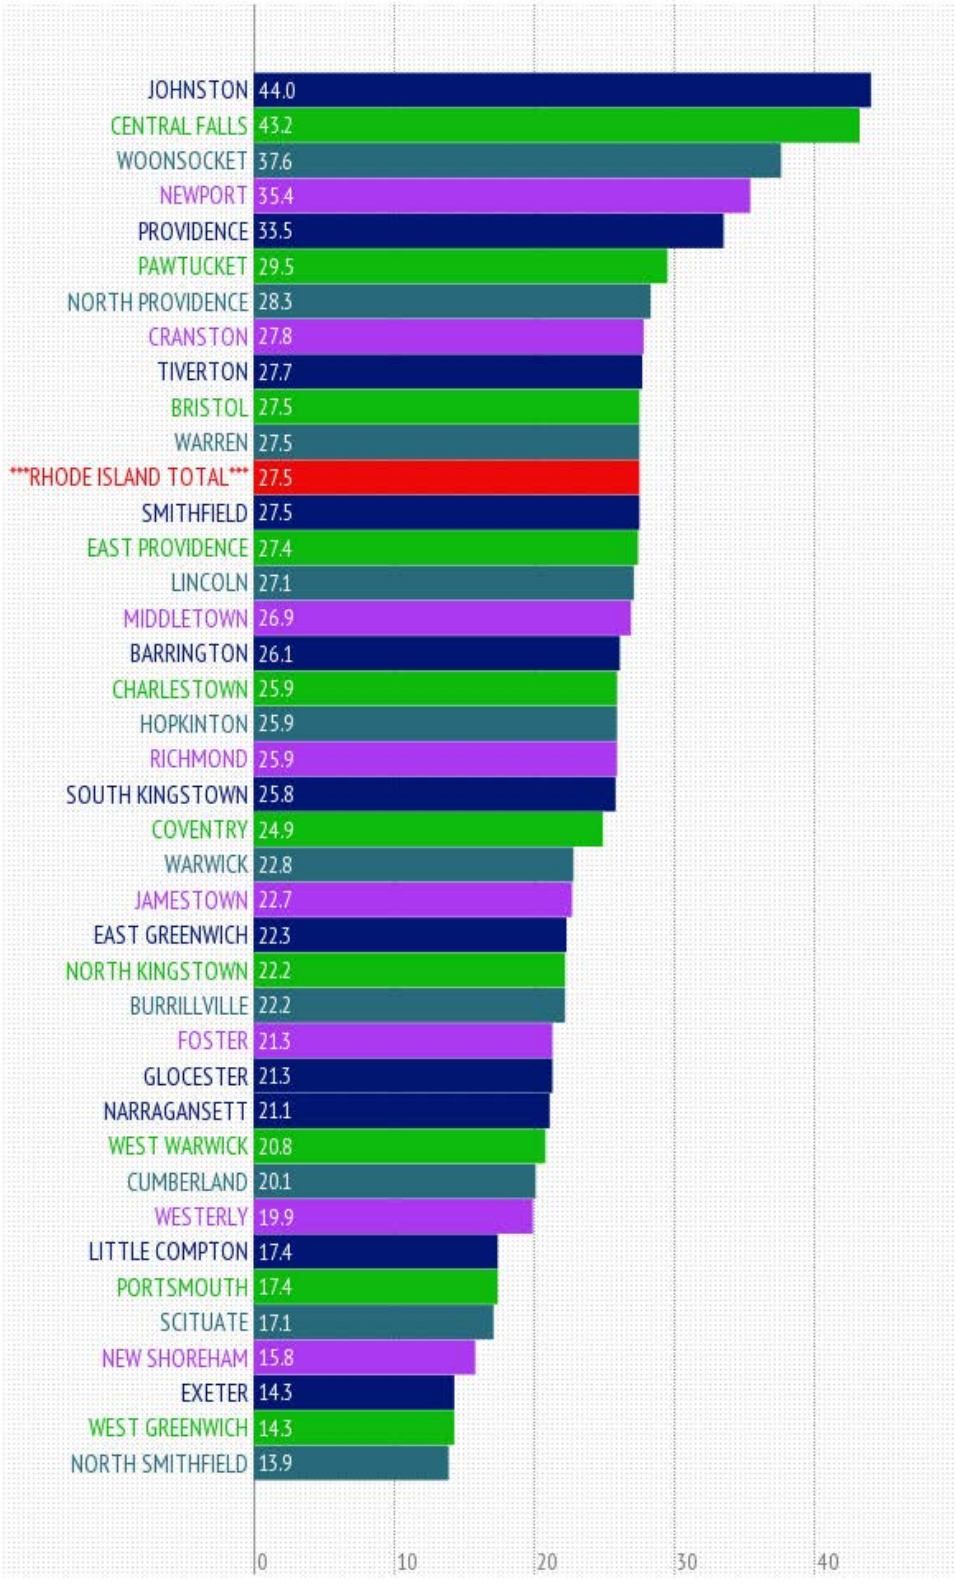
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “During the past 12 months, have you been in a physical fight on school property?”

High School Weapons at School 2012-2013



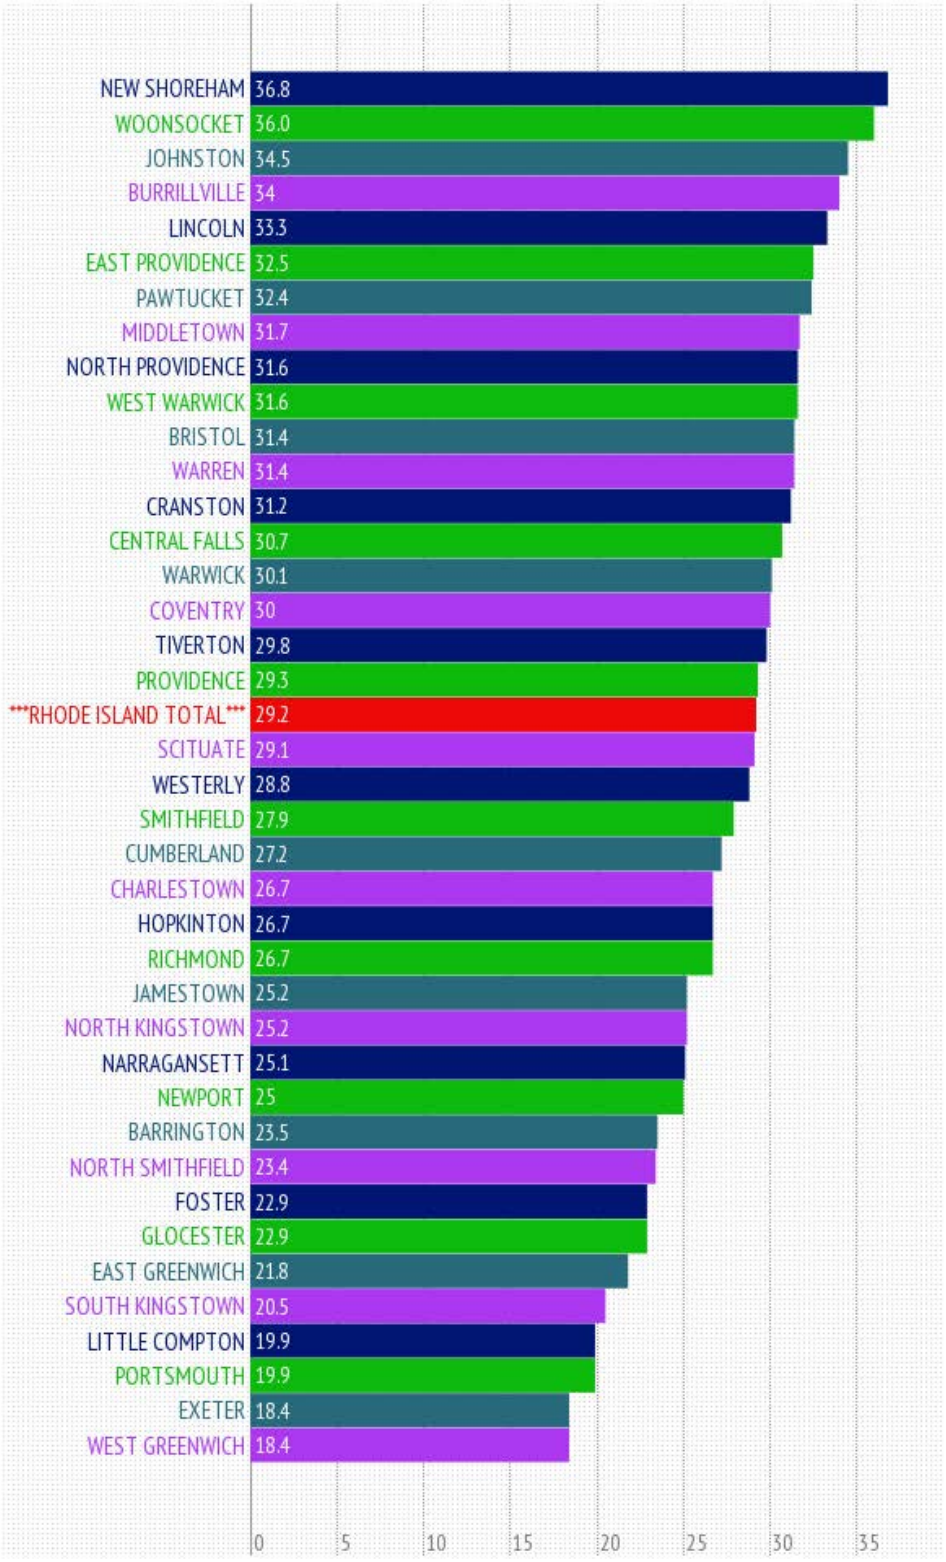
The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “During the past 12 months, have you seen another student with a weapon, like a gun, knife or club at this school?”

High School Skipping Class 2012-2013



The percent of high school students in the 2012-2013 school year that responded "yes" to the question, "Have you skipped class in the past 12 months?"

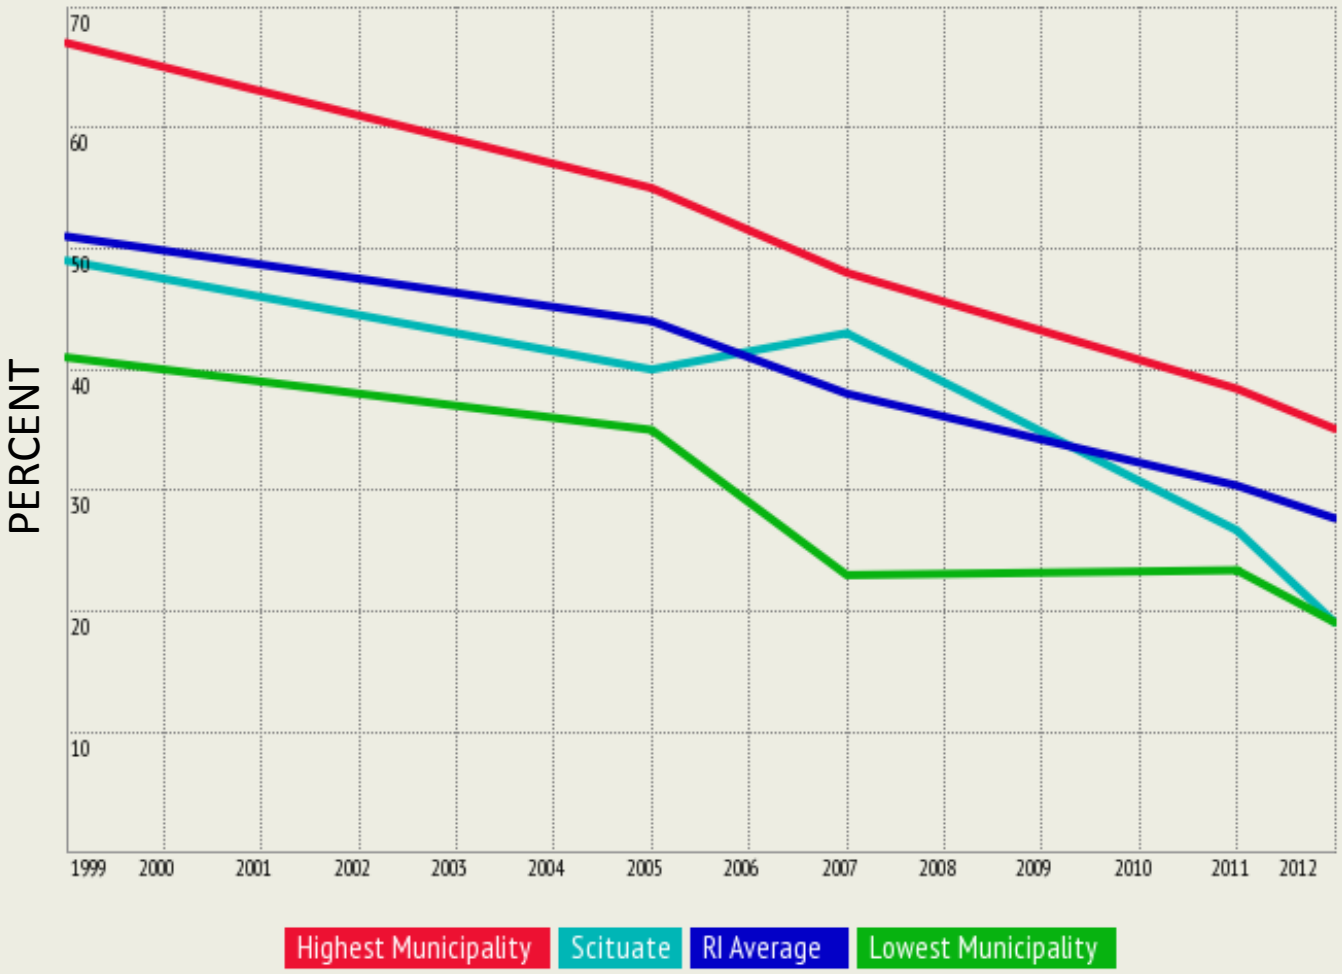
High School Depression 2012-2013



The percent of high school students in the 2012-2013 school year that responded “yes” to the question, “During the past 12 months, did you ever feel so sad or hopeless almost every day for two weeks or more in a row that you stopped doing some usual activities?”

Scituate

Any Alcohol Use 1999-2012



The percent of high school students that reported drinking alcohol 1 or more times in the past 30 days.
