

# Discussing Mental Health-**ASAPP**

You are enthusiastically invited to a powerful program that looks at the impact mental health concerns have on young people. More importantly, you will also hear about solutions addressing these conditions from a group of talented students and local experts.

## **Come Hear:**

A Panel of Youth Experts.  
Students From URI School of Pharmacy.  
Local Prevention Professionals.

## **Sponsored by:**

The East Greenwich Drug Program  
ASAPP/East Greenwich High School  
Kent County Prevention Coalition

Wednesday, February 26, 2020 | 6:30 - 8:30 PM  
Swift Community Center, East Greenwich
