

A Welcoming Place

March 11, 2020 • 6:30–8:00 PM
St. Luke's Church, East Greenwich

Our next meeting of *A Welcoming Place* will be March 11th, from 6:30–8:00PM in East Greenwich. If you are concerned about someone struggling with substance use/abuse this meeting is intended to offer a brief respite and much needed support. In addition, each session will also feature a local resource which might provide another tool in your kit.

A Welcoming Place is sponsored by the East Greenwich Drug Program and The Interfaith Counseling Center. Hope to see you there.
