

SAMHSA Training, TA, and Resource Initiatives

State Targeted Response Technical Assistance (STR-TA) – Opioid Response Network (ORN)

The Opioid Response Network has local consultants in all 50 states and nine territories to respond to local needs by providing free educational resources and training to states, communities and individuals in the prevention, treatment and recovery of opioid use disorders and stimulant use.

Program Type: Grant

Organization: American Academy of Addiction Psychiatry

Website: <https://opioidresponsenetwork.org/>

Email: orn@aaap.org or call 401-270-5900

SAMHSA POC: Humberto.Carvalho@samhsa.hhs.gov and Danielle.Johnson@samhsa.hhs.gov

Technology Transfer Centers Program (TTC)

The purpose of the Technology Transfer Centers (TTC) program is to develop and strengthen the specialized behavioral healthcare and primary healthcare workforce that provides substance use disorder (SUD) and mental health prevention, treatment, and recovery support services. The TTC program is comprised of 3 networks: Addiction Technology Transfer Centers (ATTC), Mental Health Technology Transfer Centers (MHTTC) and Prevention Technology Transfer Centers (PTTC). Each network includes 10 Regional Centers, a National American Indian and Alaska Native Center, a National Hispanic and Latino Center, and a Network Coordinating Office.

Program Type: Cooperative Agreements

Organization: Multiple Organizations

◆ **Addiction Technology Transfer Centers (ATTC):**

The ATTCs support national and regional activities focused on preparing tools needed by practitioners to improve the quality-of-service delivery and to providing intensive technical assistance to provider organizations to improve their processes and practices in the delivery of effective SUD treatment and recovery services.

Website: <https://attcnetwork.org/>

SAMHSA POC: Twyla.Adams@samhsa.hhs.gov

ATTC Coordinating Office POC: Laurie Krom - kroml@umkc.edu

◆ **Mental Health Technology Transfer Centers (MHTTC):**

The MHTTC network supports resource development and dissemination, training and technical assistance, and workforce development for the mental health field. The MHTTC network works with systems, organizations, and treatment practitioners involved in the delivery of mental health services to strengthen their capacity to deliver effective evidence-based practices to individuals. Their services cover the full continuum spanning mental illness prevention, treatment, and recovery support.

Website: <https://mhhtcnetwork.org/>

SAMHSA POC: Steven.Dettwyler@samhsa.hhs.gov and Kimberly.Reynolds@samhsa.hhs.gov

MHTTC Coordinating Office POC: Heather Gotham - gothamh@stanford.edu

◆ **Prevention Technology Transfer Centers (PTTC):**

PTTC Network focus is to improve implementation and delivery of effective substance abuse prevention interventions and provide training and technical assistance services to the substance abuse prevention field. It does this by developing and disseminating tools and strategies needed to improve the quality of substance abuse prevention efforts; providing intensive technical assistance and learning resources to prevention professionals in order to improve their understanding of prevention science, epidemiological data, and implementation of evidence-based and promising practices; and, developing tools and resources to engage the next generation of prevention professionals.

Website: <https://pttcnetwork.org/>

SAMSHA POC: Thia.Walker@samhsa.hhs.gov

TTTC Coordinating Office POC: Holly Hagle - hagleh@umkc.edu

Rural Opioid Technical Assistance (ROTA)

The purpose of this program is to develop and disseminate training and technical assistance for rural communities on addressing opioid and stimulate use issues affecting these communities. The grantees facilitate the identification of model programs, develop and update materials related to the prevention, treatment, and recovery activities for opioid use disorder (OUD), and ensure that high-quality training is provided.

Program Type: Grant

Organization: Multiple Organizations

SAMHSA POC: Humberto.Carvalho@samhsa.hhs.gov

Rural Emergency Medical Service (EMS) Training program

The purpose of this program is to recruit and train EMS personnel in rural areas with a particular focus on addressing mental and substance use disorders. SAMHSA recognizes the great need for emergency services in rural areas and the critical role EMS personnel serve across the country.

Program Type: Grant

Organization: Multiple Organizations

SAMHSA POC: Humberto.Carvalho@samhsa.hhs.gov

Peer Recovery Center of Excellence (Peer-CoE)

The Peer CoE is a peer-led national center that provides training and technical assistance related to substance use disorder recovery. The Center's strategies for training and technical assistance are organized into the following core areas of focus: clinical integration of peer support workers into non-traditional settings; building and strengthening capacity of Recovery Community Organizations; enhancing the professionalization of peers through workforce development; and providing evidence-based and practice-based toolkits and resource information to diverse stakeholders.

Program Type: Grant

Organization: University of Missouri at Kansas City

Website: <https://www.peerrecoverynow.org/>

SAMHSA POC: Thia.Walker@samhsa.hhs.gov

Peer CoE POC: Laurie Krom - kroml@umkc.edu

Bringing Recovery Supports to Scale Technical Assistance Center Strategy (BRSS TACS)

BRSS TACS helped programs, systems, states, territories, and tribes as they implemented effective recovery supports and services for individuals of all ages and diverse populations with mental or substance use disorders.

Program Type: Contract has ended but products are available on the website

Website: <https://www.samhsa.gov/brss-tacs>

Clinical Support System for Serious Mental Illness (CSS-SMI) - SMI Adviser

The purpose of this program is to advance the use of a person-centered approach to care that ensures people who have SMI find the treatment and support they need. For clinicians, this program offers access to education, data, and consultations so they can make evidence-based treatment decisions. For individuals, families, friends, people who have questions, or people who care for someone with SMI, this program offers access to resources and answers from a national network of experts.

Program Type: Grant

Organization: American Psychiatric Association

Website: <https://smiadviser.org/>

SAMHSA POC: Steven.Dettwyler@samhsa.hhs.gov

SMI Adviser POC: Amy Cohen - acohen@psych.org

Center of Excellence for Protected Health Information (CoE-PHI) - Focus PHI

This CoE supports people and organizations to understand and apply federal health privacy laws and regulations –on the job, specific to their task or role, and to help patients and families know what their rights are when seeking and receiving treatment for Substance Use Disorders and Mental Health.

Program Type: Grant

Organization: Cicatelli Associates Inc.

Website: <https://coephi.org/>

SAMHSA POC: Humberto.Carvalho@samhsa.hhs.gov

CoE-PHI POC: Michael Graziano - mgraziano@caiglobal.org

Providers Clinical Support System - Medication Assisted Treatment (PCSS-MAT)

PCSS-MAT is a national training and clinical mentoring project developed in response to the opioid overdose epidemic to train primary care providers in the evidence-based prevention and treatment of opioid use disorders (OUD) and treatment of chronic pain. The project is geared toward primary care providers who wish to treat OUD. Through a variety of trainings and a clinical mentoring program, PCSS's mission is to increase healthcare providers' knowledge and skills in the prevention, identification, and treatment of substance use disorders with a focus on opioid use disorders.

Program Type: Grant

Organization: American Academy of Addiction Psychiatry

Website: <https://pcssnow.org/>

SAMHSA POC: Humberto.Carvalho@samhsa.hhs.gov and Patti.Juliana@samhsa.hhs.gov

PCSS-MAT POC: Kathryn Cates-Wessel - kcw@aaap.org

Provider's Clinical Support System – Universities (PCSS-U)

The purpose of this program is to expand/enhance access to medication-assisted treatment (MAT) services for persons with an opioid use disorder (OUD) seeking or receiving MAT through ensuring the education and training of students in the medical, physician assistant and nurse practitioner fields. This program's focus is to ensure students fulfill the training requirements needed to obtain a DATA waiver to prescribe MAT in office-based settings.

Program Type: Grant
Organization: Multiple Universities
SAMHSA POC: folakayode@samhsa.hhs.gov

National Center of Excellence for Eating Disorders (NCEED)

The purpose of this program is to disseminate training and technical assistance for healthcare practitioners on issues related to addressing eating disorders. This center of excellence facilitates the identification of model programs, develops, and updates materials related to eating disorders, and ensures that high-quality training is provided to health professionals.

Program Type: Grant
Organization: University of North Carolina at Chapel Hill
Website: <https://www.nceedus.org/>
SAMHSA POC: Caitlin.Fitzsimmons@samhsa.hhs.gov
NCEED POC: Dr Christine Peat - christine_peat@med.unc.edu

Suicide Prevention Resource Center (SPRC)

The Suicide Prevention Resource Center (SPRC) provides a virtual learning lab designed to help state- and community-level partnerships build and improve more effective prevention efforts. SPRC presents a blueprint for developing and sustaining suicide prevention efforts that are most likely to be effective. This center also includes resources for suicide prevention in specific settings such as schools, college campuses, and American Indian/Alaska Native communities.

Program Type: Grant
Organization: University of Oklahoma Health Sciences Center
Website: <https://www.sprc.org/>
SAMHSA POC: Brandon.Johnson1@samhsa.hhs.gov

African American Behavioral Health Center of Excellence (AABH-COE)

The purpose of this center is to help the field to transform behavioral health services for African Americans, making them: safer, more effective, more accessible, more inclusive, more welcoming, more engaging, and more culturally appropriate and responsive. The Center's goal is to increase the capacity of behavioral health systems to provide outreach and to engage, retain, and effectively care for African Americans; improve dissemination of up-to-date information and culturally appropriate evidence-based practices and approaches for African Americans; and increase workforce development opportunities focused on vital issues such as social determinants of health, implicit bias, structural racism, and other factors that impede high-quality care for African Americans.

Program Type: Grant
Organization: Morehouse School of Medicine
Website: <https://africanamericanbehavioralhealth.org/>
SAMHSA POC: Humberto.Carvalho@samhsa.hhs.gov
AABH-COE POC: Dawn Tyus - dtvus@msm.edu

LGBTQ+ Behavioral Health Equity Center of Excellence

This Center provides behavioral health practitioners with vital information on supporting the population of people identifying as lesbian, gay, bisexual, transgender, queer, questioning, intersex, two-spirit, and other diverse sexual orientations, gender identities and expressions (LGBTQ+). Through training, coaching, and technical assistance they are implementing change strategies within mental health and substance use disorder treatment systems to address disparities effecting LGBTQ+ people across all stages of life.

Program Type: Grant
Organization: University of Maryland at Baltimore
Website: <https://lgbtgequity.org/>
SAMHSA POC: Perry.Chan@samhsa.hhs.gov
LGBTQ CoE POC: Angela Weeks - angela.weeks@ssw.umaryland.edu

E4 Center of Excellence for Behavioral Health Disparities in Aging (Engage, Educate, Empower for Equity)

The mission of the E4 Center is to engage, empower, and educate health care providers and community-based organizations for equity in behavioral health for older adults and their families. E4 will achieve this through the provision of education, implementation resources, and technical assistance regarding mental health, substance use, and their intersection with physical health.

Program Type: Grant
Organization: Rush University
Website: <https://e4center.org/>
SAMHSA POC: Kent.Forde@samhsa.hhs.gov
E4 Center POC: Erin Emery-Tiburcio - erin_emerytiburcio@rush.edu

National Network to Eliminate Disparities in Behavioral Health (NNED)

The National Network to Eliminate Disparities in Behavioral Health (NNED) is a network of community-based organizations focused on the mental health and substance use issues of diverse racial and ethnic communities. The NNED supports information sharing, training, and technical assistance towards the goal of promoting behavioral health equity.

Program Type: Contract
Organization: Change Matrix.
Website: <https://nned.net/>
SAMHSA POC: victoria.chau@samhsa.hhs.gov and valerie.kolick@samhsa.hhs.gov

Homeless and Housing Resource Center (HHRC)

HHRC provides training on housing and treatment models focused on adults, children, and families who are experiencing or at risk of homelessness and have serious mental illness and/or serious emotional disturbance, substance use disorders, and/or co-occurring disorders.

Program Type: Grant
Organization: Policy Research Inc.
Website: <https://hhrctraining.org/>
SAMHSA POC: Dorrine.Gross@samhsa.hhs.gov
HHRC POC: Jen Elder - jelder@prainc.com

SSI/SSDI Outreach, Access, and Recovery (SOAR)

This program helps states and communities increase access to Supplemental Security Income/Social Security Disability Insurance (SSI/SSDI) benefits for people who are experiencing or at risk of homelessness and have a serious mental illness, medical impairment, and/or a co-occurring substance use disorder.

Program Type: Contract
Organization: Policy Research Inc.
Website: <https://www.samhsa.gov/soar>
Contact: soar@prainc.com
SAMHSA POC: Asha.Stanly@samhsa.hhs.gov

National Family Support Technical Assistance Center (NFSTAC)

This Center is focused on supporting families and caregivers of children, regardless of their age, who experience serious mental illness and/or substance use disorders. The purpose of the NFSTAC is to advance positive partnerships between families and providers to promote stronger and more sustainable outcomes for families and their children across the lifespan. NFSTAC provides resources, training and technical assistance to families/caregivers, providers and to the organizations who serve them.

Program Type: Grant
Organization: National Federation of Families
Website: <https://www.nfstac.org/>
SAMHSA POC: Elizabeth.Sweet@samhsa.hhs.gov
NFSTAC POC: Gail Cormier - gcormier@ffcmh.org

National Center on Substance Abuse and Child Welfare (NCSACW)

NCSACW is a national resource center providing information, expert consultation, training and technical assistance to child welfare, dependency court and substance abuse treatment professionals to improve the safety, permanency, well-being and recovery outcomes for children, parents and families.

Program Type: Contract
Organization: Center for Children and Family Futures
Website: <https://ncsacw.samhsa.gov/>
SAMHSA POC: Amy.Smith@samhsa.hhs.gov

The Center of Excellence for Infant and Early Childhood Mental Health Consultation (IECMHC)

IECMHC is an evidence-based approach that pairs mental health professionals with people who work with young children and their families.

Program Type: Grant

Organization: Georgetown University, Center for Child and Human Development

SAMHSA website: <https://www.samhsa.gov/iecmhc>

Program Website: <https://www.iecmhc.org/>

SAMHSA POC: jennifer.oppenheim@samhsa.hhs.gov

- **Infant and Early Childhood Mental Health Consultation (IECMHC) Toolbox**

The Center of Excellence's Infant and Early Childhood Mental Health Consultation (IECMHC) Toolbox offers interactive planning tools, guides, videos, and other resources to support IECMHC efforts in your state, tribe, or community. Adults who work with young children can broadly support children's healthy development, from infancy through the transition to school, by incorporating IECMHC and the resources in the Toolbox into all early childhood programs.

Website: <https://www.samhsa.gov/iecmhc/toolbox>

SAMHSA POC: jennifer.oppenheim@samhsa.hhs.gov

National Training and Technical Assistance Center for Child, Youth, and Family Mental Health (NTTAC)

NTTAC provides states, tribes, and communities with training and technical assistance (TTA) on children's behavioral health, with a focus on systems of care. NTTAC aims to increase access, effectiveness, and dissemination of evidence-based mental health services for young people (birth to age 21) and their families, including young people experiencing serious mental illness or serious emotional disturbance (SMI/SED). NTTAC supports Children's Mental Health Initiative (CMHI) grantees and provides an array of trainings, technical assistance, and resources to providers, organizations, and agencies from across the system of care.

Program Type: Grant

Organization: Center for Applied Research Solutions - CARS

Website: <https://nttamentalhealth.org/>

SAMHSA POC: Eric.Lulow@samhsa.hhs.gov

National Child Traumatic Stress Initiative (NCTSI)

The National Child Traumatic Stress Initiative (NCTSI) raises awareness about the impact of trauma on children and adolescents as a behavioral health concern. This initiative improves treatment and services for children, adolescents, and families who have experienced traumatic events. We commonly refer to the national network of grantees as the National Child Traumatic Stress Network (NCTSN). Since its inception the NCTSN has been comprised of three types of centers (initially there were all cooperative agreements, currently the Category I is a cooperative agreement and the Category II and III are regular discretionary

grants:

- **The National Center for Child Traumatic Stress** - (Category-I) –(infrastructure) - develops and maintains the collaborative network structure, supports resource development and dissemination, and coordinates the Network’s national child trauma education and training efforts.
- **The Treatment and Service Adaptation Centers** - (Category-II) –(infrastructure) - provide national expertise in the Network for specific types of traumatic events, population groups, and service systems, and support the development and adaptation of effective evidence-based trauma treatment and service approaches for children, adolescents, and their families that can be implemented throughout the nation.
- **The Community Treatment and Services Centers** - (Category-III) –(services) - are primarily service programs that implement and evaluate effective treatment and services in community settings and youth-serving service systems and collaborate with other NCTSN centers on clinical issues, service approaches, policy, financing, and training issues.

Program Type: Grants and Cooperative Agreements

Organization: Multiple organizations

Website: <https://www.samhsa.gov/child-trauma> and <https://www.nctsn.org>

SAMHSA POC: Maryann Robinson - maryann.robinson@samhsa.hhs.gov

National Child Traumatic Stress Initiative – Category II, Treatment and Service Adaptation (TSA) Centers

The purpose of the TSA Centers is to provide national expertise for specific types of traumatic events, population groups, and service systems, and support the specialized adaptation of effective evidence-based treatment and service approaches for communities across the nation.

Program Type: Grant

Organization: Multiple organizations (35 grantees)

Website:

SAMHSA POC: ellen.dieujuste@samhsa.hhs.gov

Disaster Technical Assistance Center (DTAC)

DTAC helps states, U.S. territories, tribes, and local providers plan for and respond to behavioral health needs after a disaster.

Program Type: Contract

Organization: IQ Solutions

Website: <https://www.samhsa.gov/iecmhc/toolbox>

Contact: dtac@samhsa.hhs.gov

SAMHSA POC: Erik.Hierholzer@SAMHSA.hhs.gov

GAINS Center for Behavioral Health and Justice Transformation

The GAINS Center focuses on expanding access to services for people with mental and/or substance use disorders who come into contact with the adult criminal justice system.

Program Type: Contract
Organization: Policy Research Associates, Inc.
Website: <https://www.samhsa.gov/gains-center>
Contact: <https://www.samhsa.gov/gains-center/contact-gains-center>
Phone: 800-311-4246
SAMHSA POC: David.Barry@samhsa.hhs.gov

Mental Health Awareness and Training Grant (MHAT)

The MHAT grant program prepares and trains community members and first responders on how to respond to individuals appropriately and safely with mental disorders, particularly individuals with SMI and/or SUD.

Program Type: Grant
Organization: Multiple Organizations
Website: <https://www.samhsa.gov/mental-health-awareness-and-training>
Contact: mhat_foa@samhsa.hhs.gov
SAMHSA POC: Shane.Grant@samhsa.hhs.gov

National Center of Excellence for Tobacco-Free Recovery (National Center-TFR)

This Center focus on SAMHSA's efforts to convene State Leadership Academies for Tobacco-Free Recovery to mobilize stakeholders to develop and implement a state-wide action plan to reduce the high prevalence rate of tobacco use by persons with mental and/or substance use disorders. In addition, the Center provides technical assistance, training, and educational resources to promote the adoption of tobacco-free facility/grounds policies and the integration of tobacco treatment into behavioral healthcare.

Program Type: Grant
Organization: University of California, San Francisco
Website: <https://smokingcessationleadership.ucsf.edu/campaigns/samhsa>
SAMHSA POC: Douglas.Tipperman@SAMHSA.hhs.gov

Service Members, Veterans, and their Families Technical Assistance (SMVF TA) Center

This Center serves as a national resource to support states, territories, and local communities in strengthening their capacity to address the behavioral health needs of military and veteran families.

Program Type: Contract
Organization: Policy Research Associates, Inc.
Website: <https://www.samhsa.gov/smvf-ta-center>
Contact: smvftacenter@prainc.com
SAMHSA POC: Maureen.Madison@samhsa.hhs.gov

Tribal Training and Technical Assistance Center (TTAC)

This Center offers training and technical assistance on mental and substance use disorders, suicide prevention, and mental health promotion using the Strategic Cultural Framework.

Program Type: Contract

Organization: Tribal Tech, LLC.

Website: <https://www.samhsa.gov/tribal-ttac>

Contact: <https://www.samhsa.gov/tribal-ttac/contact-us>

SAMHSA POC: Maureen.Madison@samhsa.hhs.gov and Jon.Dunbar@samhsa.hhs.gov

Technical Assistance to Native Connections Grantees

Native Connections is a five-year grant program that helps American Indian and Alaska Native communities identify and address the behavioral health needs of Native youth. The grant program supports grantees with the following: reducing suicidal behavior and substance use among Native youth up to age 24; easing the impacts of substance use, mental illness, and trauma in tribal communities; and supporting youth as they transition into adulthood.

Program Type: Contract

Organization: Tribal Tech, LLC.

Website: <https://www.samhsa.gov/native-connections/training-technical-assistance>

SAMHSA POC: Maureen.Madison@samhsa.hhs.gov

National Consumer and Consumer Supporter Technical Assistance Centers

The purpose of this program is to provide technical assistance to promote evidence-based care for adults with serious mental illnesses. These programs recognize the value of those with lived experience as a component of the treatment system. This program is comprised of five centers:

- **Doors to Wellbeing** – www.doorstowellbeing.org
 - Focus Areas and Key Projects: peer support workforce development, psychiatric advance directives, supported ed and supported employment, youth leadership
 - Contact: Amey Dettmer, Program Manager, adettmer@copelandcenter.com; Matthew Federici, Program Director, mfederici@copelandcenter.com
- **The CAFÉ Technical Assistance Center (CAFÉ TAC)** – <https://cafetacenter.net/>
 - Focus Areas and Key Projects: integrated care providers, families and recovery, employers, cross-disability community
 - Contact: Jeremy Countryman, jcountryman@familycafe.net
- **National Empowerment Center** - www.power2u.org
 - Focus Areas and Key Projects: crisis response services
 - Contact: Oryx Cohen, TAC Director, oryxcohen@gmail.com; Daniel Fisher, CEO, daniefisher@gmail.com,
- **Peer Experience National Technical Assistance Center (PENTAC)** - (Peer Support Coalition of Florida) - <https://www.peersupportfl.org/pentac/>

- Focus Areas and Key Projects: Focus Areas: supported education and supported employment, integration of peers in diverse settings, youth leadership skills Key project: Peer Entrepreneurship
- Contact: Cheryl Molyneaux, Executive Director, cheryl@peersupportfl.org and Teresa Mitchem, Program Director, teresa@peersupportfl.org
- **Youth Move National Peer Center** – www.youthmovepeercenter.org –
 - Focus Areas and Key Projects: youth leadership, youth engagement, implementation and integration of youth peer support, and youth-run program development
 - Contact: Kristin Thorp kristin@youthmovenational.org

Program Type: Grant

Organization: Multiple Organizations (listed above)

SAMHSA POC: Mary.Blake@SAMHSA.hhs.gov

National Center of Excellence for Integrated Health Solutions

This Center is the home of the newest evidence-based resources, tools and support for organizations working to integrate primary and behavioral health care. The Center's team of experts in organizational readiness, integrated care models, workforce & clinical practice, health & wellness, and financing & sustainability are ready to partner with providers to create a customized approach to advance integrated care and health outcomes.

Program Type: Grant

Organization: National Council for Mental Wellbeing
