**TO EQUITY AND BEYOND:
POWERED BY PREVENTION SCIENCE!**

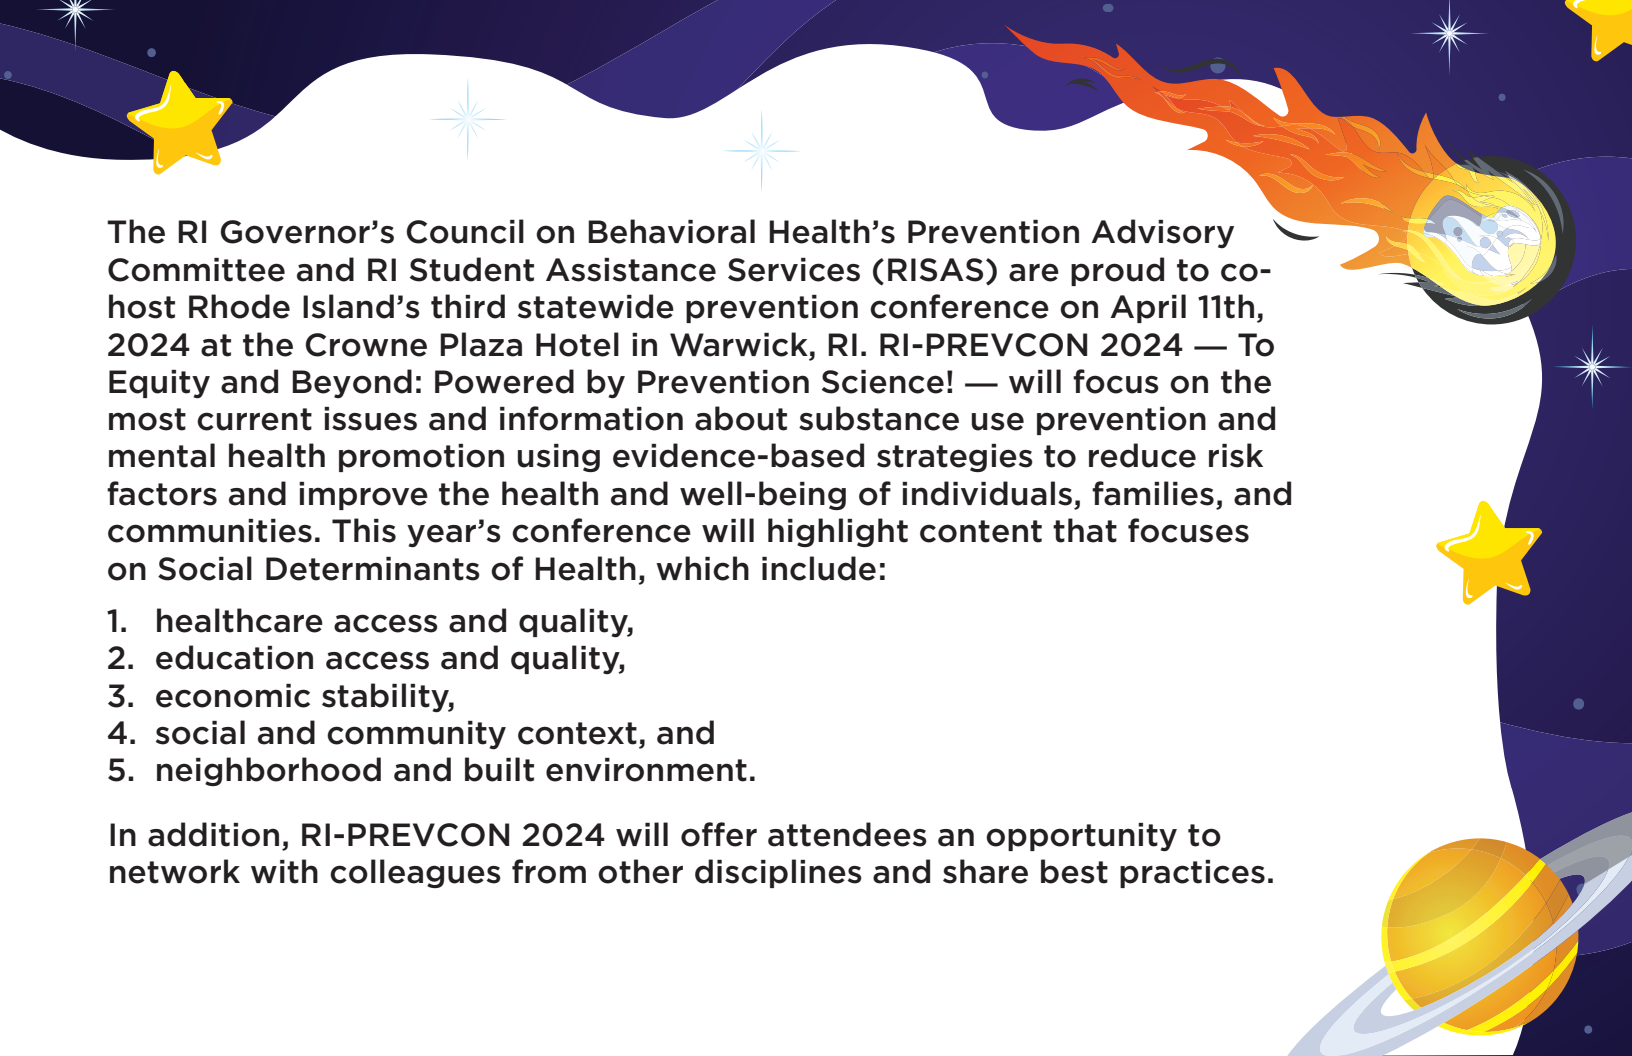

WHEN?
April 11, 2024, 9:00-3:30 PM EST

WHERE?
Crowne Plaza Hotel, Warwick, RI

Questions: riprc@jsi.com

Provided by the RI Governor's Council on Behavioral Health

The background is a dark blue space scene. It features several yellow five-pointed stars of different sizes. A bright comet with a long, fiery orange and red tail is streaking across the upper right. In the bottom right corner, there is a yellow planet with a ring system, similar to Saturn. The overall theme is cosmic and celebratory.

The RI Governor's Council on Behavioral Health's Prevention Advisory Committee and RI Student Assistance Services (RISAS) are proud to co-host Rhode Island's third statewide prevention conference on April 11th, 2024 at the Crowne Plaza Hotel in Warwick, RI. RI-PREVCON 2024 — To Equity and Beyond: Powered by Prevention Science! — will focus on the most current issues and information about substance use prevention and mental health promotion using evidence-based strategies to reduce risk factors and improve the health and well-being of individuals, families, and communities. This year's conference will highlight content that focuses on Social Determinants of Health, which include:

1. healthcare access and quality,
2. education access and quality,
3. economic stability,
4. social and community context, and
5. neighborhood and built environment.

In addition, RI-PREVCON 2024 will offer attendees an opportunity to network with colleagues from other disciplines and share best practices.
