LISTEN TO THE SILENCE

Women Lost in the Opioid Crisis

Film Screening and Panel Discussion

March 11, 2024 • 7PM

Jane Pickens Theater • 49 Touro Street, Newport, RI

Listen To The Silence is a nationally acclaimed, documentary by Diva Communications, examining the hopes and heartaches of the women — our daughters, mothers, sisters, friends — suffering from opioid addiction.

Some survived and some did not.

It is the first, the only documentary that focuses on women impacted by the opioid epidemic.

Women have been invisible. As a result, their needs have been ignored.
